# **Vision and Mission of the University of Ruhuna**

## ***Our Vision***

To be the prime intellectual thrust  
of the nation.

## ***Our Mission***

To advance knowledge and skills through teaching,  
research and services to serve the society.

## Message of the Vice-Chancellor

The year, 2020 was a challenging year due to the global Covid 19 pandemic for all of us in the University of Ruhuna (UOR).

However, we were able to manage all the circumstances at the optimal level, rapidly adapting to unforeseen situations. It was a year full of changes, achievements, reflections and forward-thinking at the University.

It was an inspired beginning of a new virtual era of the University. All the academic activities and administrative functions rapidly shifted to virtual modes to successfully deal with the crisis. New initiatives to keep student determination intact with the pandemic such as cultural activities, new languages, motivation speeches, career guidance were commenced. In general, the university was functional in almost full capacity while adapting to the blended approaches of virtual and in-personal modes under the strictly enforced health guidelines without a total closure except during curfew periods. As a University, it was our greatest achievement of the last year. The challenges of the pandemic forced us to rethink the traditional approaches and realize the new directions and opportunities for the future.

It was the second year of our five years cooperate plan (01.01.2019 – 31.12.2023). Even though every plan of the year was not executed as it is, we were able to achieve significant strategic progress despite the Covid 19 outbreak. Expanding access to education, Higher Diploma in English was introduced as a distance learning module to be best-suited with the current situation. Several new courses were introduced with the purpose of upgrading the national curricula into international standards.

Faculty of Science introduced a new course unit as “Introduction to Robotics”. A series of course units including Electronic System Design, Mechanics of Machines, Machine Design, Programmable Digital Electronics and Power Electronics and Applications were introduced by the Faculty of Technology. The curriculum of the BSc Hons in Marine and Freshwater Sciences for level IV was introduced and implemented by the Faculty of Fisheries and Marine Sciences and Technology. Coursera online learning platform was introduced to the students with the aim of providing global educational opportunities.

Enrichment of the quality of education is among the top priorities of the University. The interactive infrastructure facilities are a crucial aspect in this regards. Lecture theatres and laboratories with modern teaching facilities were established in the University. For instance, Language Lab and IT Labs were established at the Faculty of Humanities and Social Sciences. Engineering Technology Lab, Mechanical Machine Shop, Electronic and Simulation Lab, Material Lab, Robotics and Automation Lab, Automobile Lab were established at the Faculty of Technology. Construction of the Professorial Ward Complex of the Faculty of Medicine was started in 2020. Fulfilling a long-felt need of the Faculty of Allied Health Sciences, the new building complex of the faculty was commenced at Walahanduwa, Galle.

University of Ruhuna was able to secure fourth position nationally in the international Webometrics Ranking. We participated in the green university ranking as well. In addition to the Annual Academic Session, we were able to host six international symposia/conferences. Despite the Covid 19 pandemic, year 2020 was a landmark year for the University of Ruhuna with respect to strengthening its national and global recognition. University of Ruhuna successfully embarked on several global partnerships with China, United Kingdom,

Thailand and Russia despite all the circumstances. UOR also offered Sinhala language for Moscow University Students online during this period for the first time.

In general, the year 2020 was a successful year in terms of fulfilling the timely needs that emerged with the Covid 19 pandemic. We accepted the pandemic with a positive mindset and dealt with it successfully. I thank all the academic, administrative and non-academic staff for working hard against numerous difficulties that emerged with the pandemic.

A careful analysis of the experience of 2020 is significant for the initiation of a new chapter in 2021 of the university. With 42 years of history from its inception, University of Ruhuna has now emerged as a well-established, mature University in Sri Lanka. However, it is noted that, a lot has to be done to create a truly stimulating environment for scholarly achievements and expanding access to quality higher learning. Furthermore, we are to emerge as a University with an international reputation, I request all academics and staff to contribute positively to address the above weaker areas.

**Senior Professor Sujeewa Amarasena**  
**Vice Chancellor**  
**University of Ruhuna**

# Introduction to University of Ruhuna

Ruhuna University College, the precursor of the University of Ruhuna (UOR), was declared open by then the Prime Minister Mr. J.R. Jayawardene on 27<sup>th</sup> of August in 1978. The pioneering faculties, namely, Faculty of Agriculture, Faculty of Science, Faculty of Medicine and Faculty of Humanities of Social Sciences were affiliated to the University of Peradeniya in the beginning. The Ruhuna University College had been functioning at the premises of the Technical College, Meddawatta, Matara for over six years. Having elevated to a fully-fledged university status with effect from 1<sup>st</sup> February 1984, UOR was formally established in a master-piece architectural complex on a picturesque hillock facing the Indian Ocean at Wellamadama, Matara, Sri Lanka.

Subsequently, six more faculties were established. The Faculty of Engineering was established in 1999 in Galle and the Faculty of Management and Finance was established in 2003 at the main campus in Wellamadama. Further, Faculty of Fisheries and Marine Sciences & Technology was established in 2005 also at the main campus being the first of its kind in the entire University system in the country. The Faculty of Graduate Studies was incepted in 2011. The recent additions to the UOR include the Faculty of Technology in Kamburupitiya (2016) and the Faculty of Allied Health Sciences in Karapitiya (2017).

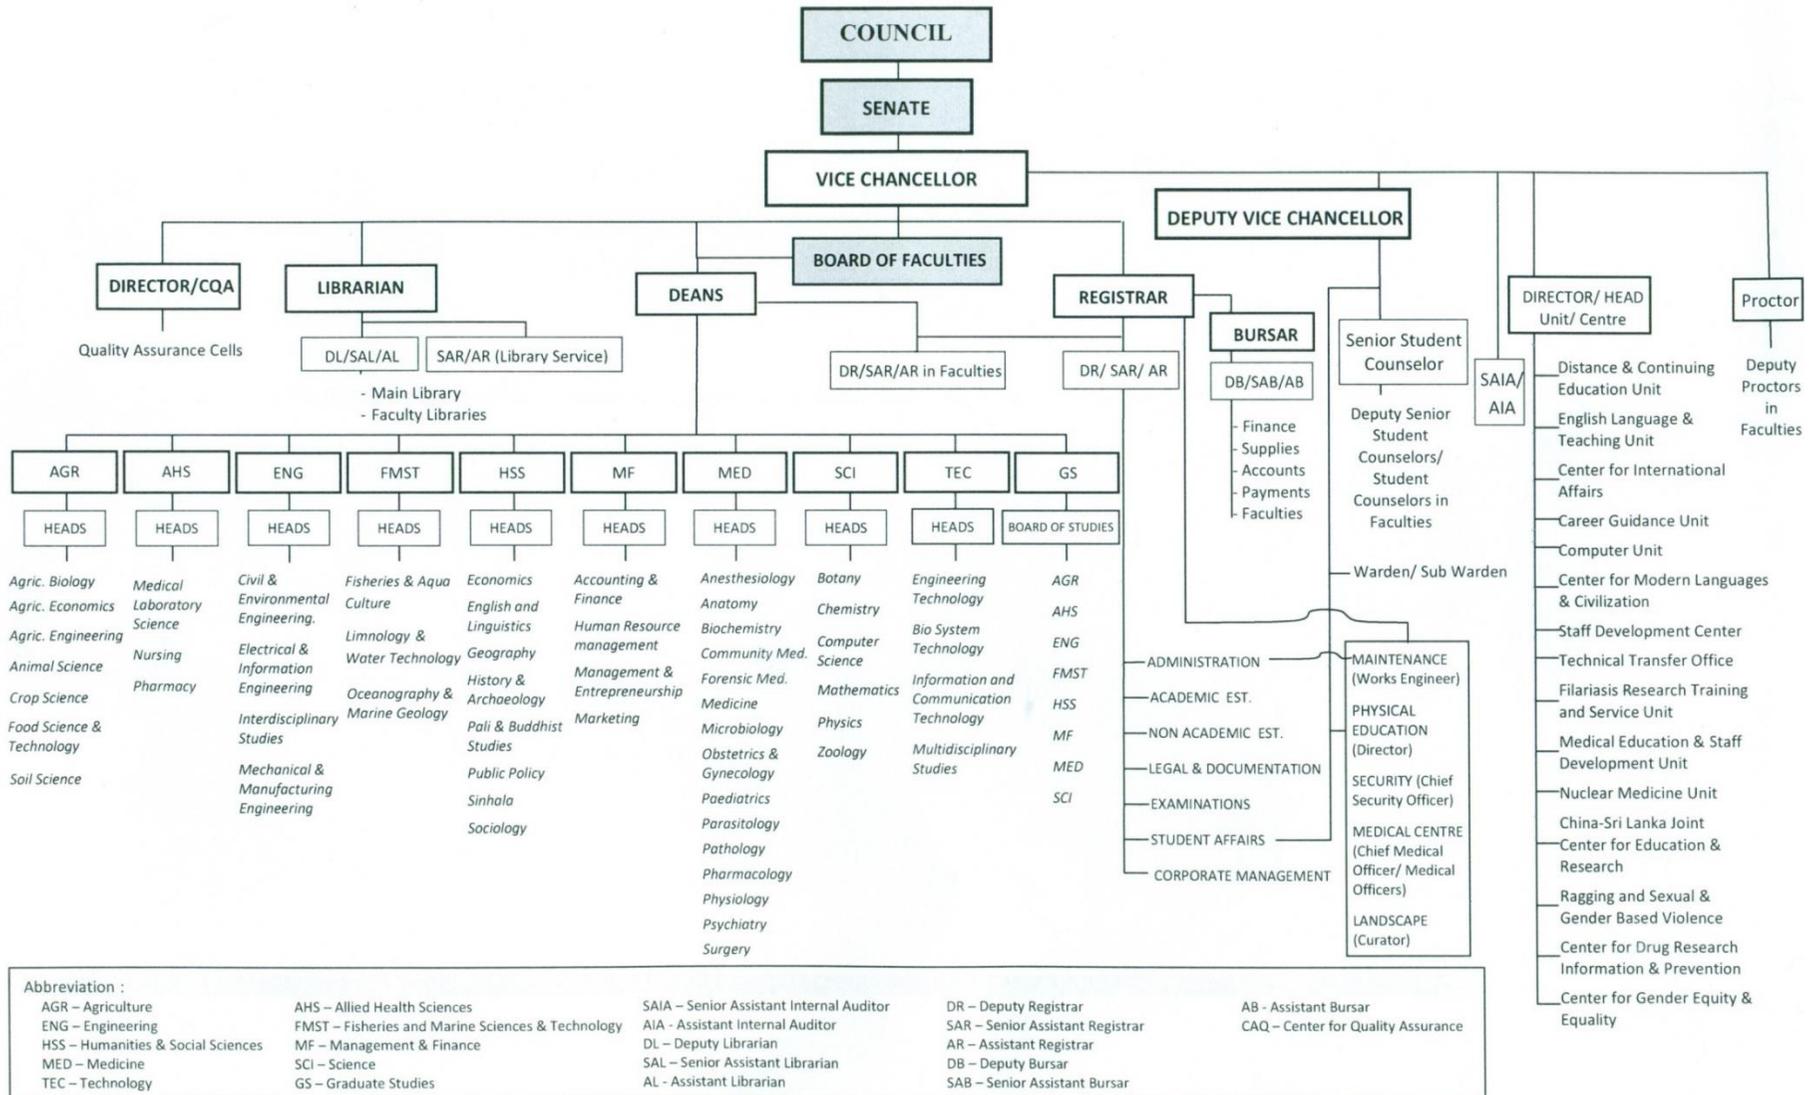

With 8163 internal undergraduates, over 18000 external undergraduates, 987 postgraduates and 910 academic staff, University of Ruhuna is regarded one of the leading higher education institute in Sri Lanka. . With ten Faculties, UOR is the most diversified Sri Lankan University while being the second largest in terms of student numbers. Webometric Ranking of 2020 placed UOR at 4<sup>th</sup> among Sri Lankan Universities and 2504<sup>th</sup> among world Universities. Furthermore, recent World University Ranking (<https://cwur.org/2020-21.php>) for 2020/2021 ranked UOR at 2<sup>nd</sup> among Sri Lankan Universities and 1733<sup>rd</sup> (within top 8.7%) among world Universities.

# Organization Structure of the University

# **Governing Authority**

**Chancellor of the University of Ruhuna** – Ven. Dr. Akuratiye Nanda Nayaka Thero

## **Council of the University**

The Council of the University shall be the executive body and governing authority of the University.

There have been 10 meetings in year 2020.

The Council of the University consisted of the following members during the year

**Vice-Chancellor** - Snr. Prof. Sujeewa Amarasena

**Deputy Vice-Chancellor** - Prof. E.P.S. Chandana

### **Deans of the Faculties**

#### **Dean/Agriculture**

Prof. S.D. Wanniarachchi

#### **Dean/Engineering**

Dr. H.P. Sooriyaarachchi

#### **Dean/Graduate Studies**

Snr. Prof. L.P. Jayatissa

#### **Dean/Management and Finance**

Prof. P.A.P.S. Kumara

#### **Dean/Science**

Prof. P.A. Jayantha

#### **Dean/ Allied Health Science**

Dr.K.G. Imendra

#### **Dean/Fisheries and Marine Sciences & Tech.**

Dr. (Mrs.) H.B. Asanthi

#### **Dean/Humanities & Social Sciences**

Prof. Upali Pannilage

#### **Dean/Medicine**

Prof. I.V. Devasiri

#### **Dean/ Technology**

Dr. K.G.S.H. Gunawardana

### **Appointed Members**

Mr. Srimal Wijesekara  
Prof. (Mrs.) Chandrani Liyanage  
Mr. K.N. Samarasinghe  
Mr. Sudath Jayasekara  
Dr. U.G. Karunaratna  
Mr. R.C. De Soyza  
Admiral Thisara Samarasinghe

Mr. Istihar Sufiyan  
Mrs. Hemanthimala Wanigasinghe  
Mr. Sumedha Kulathunga  
Mr. Mettananda Vidanagamachchi  
Ms. Himali Rathnaweera  
Mr. M.G. Punchihewa

### **Senate Nominees**

Snr.Prof. S. Subasinghe  
Prof. Sampath Gunawardhana

### **Registrar (Ex Officio Secretary)**

Mrs. P.S. Kalugama

## Senate of the University

The Senate shall have the control and general direction of instruction, education, research and examinations in the University.

There have been 12 meetings in year 2020.

The Senate of the University consisted of the following members during the year.

**Vice-Chancellor** - Snr. Prof. Sujeewa Amarasena

**Deputy Vice-Chancellor** - Prof. E.P.S. Chandana

### Deans of the Faculties

#### **Dean/Agriculture**

Snr. Prof. S.D. Wanniarachchi

#### **Dean/Engineering**

Dr. H.P. Sooriyarachchi

#### **Dean/Graduate Studies**

Snr. Prof. L.P. Jayatissa

#### **Dean/Management and Finance**

Prof. P.A.P. Samantha Kumara

#### **Dean/Science**

Prof. P.A. Jayantha

#### **Acting Librarian**

Mr. Nimal Hettiarachchi

#### **Dean/ Allied Health Sciences**

Prof. K.G. Imendra

#### **Dean /Fisheries and Marine Sciences & Tec.**

Dr. (Mrs.) H.B. Asanthi

#### **Dean/Humanities & Social Sciences**

Prof. Upali Pannilage

#### **Dean/Medicine**

Prof. I.V. Devasiri

#### **Dean/ Technology**

Dr. K.G.S.H. Gunawardana

#### **Registrar (Ex Officio Secretary)**

Mrs. P.S. Kalugama

## **Heads of the Departments of Study**

### **Faculty of Agriculture**

| Chemistry        | - | Dr. G.B.C. Sanath            |
| Computer Science | - | Dr. (Mrs.) W.A. Indika       |
| Mathematics      | - | Mrs. K.C.N. Shanthidevi      |
| Physics          | - | Dr. G.D.K. Mahanama          |
| Zoology          | - | Dr. W.A.H.P. Guruge          |

## Faculty of Technology

|  |   |                                   |
|--|---|-----------------------------------|
| Bio Systems Technology                 | - | Dr. (Mrs.) K.M.W. Rajawatta       |
| Engineering Technology                 | - | Dr. B.L.S. Thilakarathna          |
| Information & Communication Technology | - | Dr. P.K.S.C. Jayasinghe           |
| Multidisciplinary Studies              | - | Dr. K.G.S.H. Gunawardana (Acting) |

## Professors

|  |   |                                       |
|--|---|---------------------------------------|
| Professor in Buddhist Culture          | - | Rev. Senior Prof. Midigama Soratha    |
| Professor of Parasitology              | - | Senior Prof. (Mrs.) M.V. Weerasooriya |
| Professor of Pediatrics                | - | Senior Prof. U.K. Jayantha            |
| Professor of Medicine                  | - | Senior Prof. Sarath Lekamwasam        |
| Professor in Medicine                  | - | Senior Prof. T.P. Weeraratna          |
| Professor of Geography                 | - | Senior Prof. P. Hewage                |
| Professor in Crop Science              | - | Senior Prof. S. Subasinghe            |
| Professor in Agricultural Biology      | - | Senior Prof. K.L. Wasantha Kumara     |
| Professor in Agricultural Engineering  | - | Senior Prof. P.L.A.G. Alwis           |
| Professor in Agricultural Engineering  | - | Senior Prof. (Mrs.) C.M. Navarathna   |
| Professor in Agricultural Economics    | - | Senior Prof. L.M. Abeywickrama        |
| Professor of Agricultural Economics    | - | Senior Prof. Mangala De Zoysa         |
| Professor in Botany                    | - | Senior Prof. Saman Abeyasinghe        |
| Professor in Food Science & Technology | - | Senior Prof. Vijith S. Jayamanne      |
| Professor in Mathematics               | - | Senior Prof. L.A.L.W. Jayasekara      |

|   |   |   |
|---|---|---|
| Professor in Limnology & Water Technology | - | Senior Prof. Tilak P.D. Gamage          |
| Professor in English                      | - | Senior Prof. E.A. Gamini Fonseka        |
| Professor in Sinhala                      | - | Senior Prof. K.G. Amarasekara           |
| Professor of Sinhala                      | - | Prof. Jayantha Amarasinghe              |
| Professor of Physiology                   | - | Prof. Sampath Gunawardena               |
| Professor in Anatomy                      | - | Prof. (Mrs.) Isurani Illeperuma         |
| Professor in Medicine                     | - | Prof. K.D. Pathirana                    |
| Professor in Psychiatry                   | - | Prof. (Mrs.) G.H.Chandani               |
| Professor in Community Medicine           | - | Prof. Bilesha Perera                    |
| Professor in Community Medicine           | - | Prof. P.V. De Silva                     |
| Professor in Physics                      | - | Prof. (Mrs.) K.K.A.S. Yapa              |
| Professor in Animal Science               | - | Prof. N.S.B.M. Atapattu                 |
| Professor in Agricultural Engineering     | - | Prof. S. Wijetunga                      |
| Professor in Agricultural Biology         | - | Prof. (Mrs.) N. Dahanayake              |
| Professor of Agricultural Biology         | - | Prof. (Mrs.) W.A.D.P.R. Rathnasekara    |
| Professor in Agricultural Biology         | - | Prof. (Mrs.) A.L. Ranawaka              |
| Professor in Agricultural Economics       | - | Prof. A.L. Sandika                      |
| Professor in Animal Science               | - | Prof. (Mrs.) N.Y. Hirimuthugoda         |
| Professor in Botany                       | - | Prof. (Mrs.) P.D. Abeysinghe            |
| Professor in Chemistry                    | - | Prof. (Mrs.) Vajira P. Bulugahapitiya   |
| Professor in Chemistry                    | - | Prof. J.W. Hewage                       |
| Professor of Zoology                      | - | Prof. (Mrs.) N.J.De.S. Amarasinghe      |
| Professor of Zoology                      | - | Prof. (Mrs.) K.B. Suneetha Gunawickrama |
| Professor in Zoology                      | - | Prof. (Mrs.) D.H.N. Munasinghe          |
| Professor in Zoology                      | - | Prof. (Mrs.) M.P.K.S.K. De Silva        |
| Professor in Zoology                      | - | Prof. (Mrs.) W.T.S.D. Premachandra      |
| Professor in Crop Science                 | - | Prof. (Mrs.) W.G.D. Lakmini             |
| Professor in Soil Science                 | - | Prof. (Mrs.) B.C. Walpola               |
| Professor of Limnology & Water Technology | - | Prof. R.A. Maithreepala                 |
| Professor in Pharmacology                 | - | Prof. (Mrs.) S.S. Jayasinghe            |
| Professor in Biochemistry                 | - | Prof. (Mrs.) R.P. Hewawasam             |
| Professor of Biochemistry                 | - | Prof. (Mrs.) K.A.P.W. Jayatilake        |
| Professor of Biochemistry                 | - | Prof. (Mrs.) C.M. Wickramatilake        |
| Professor in Microbiology                 | - | Prof. A. De S. Nagahawatta              |
| Professor in Physiology                   | - | Prof. R.S.J. Lenora                     |
| Professor in Physiology                   | - | Prof. K.D. Mahinda                      |
| Professor of Pathology                    | - | Prof. (Mrs.) L.K.B. Mudduwa             |
| Professor in Nuclear Medicine             | - | Prof. M.D. Hettiarachchi                |
| Professor in Medicine                     | - | Prof. (Mrs.) C.K. Bodinayake            |

## Faculty Representatives to Senate

|   |   |                                  |
|---|---|----------------------------------|
| <b>Agriculture</b>  | - | Dr. (Mrs.) D.L.C. Kumari Fonseka |
|   | - | Dr. I.R. Palihakkara             |
| <b>Allied Health Sciences</b>                             | - | Dr. (Mrs.) S.K. Hettihewa        |
|   | - | Dr. (Mrs.) H.W.A.S. Subasinghe   |
| <b>Engineering</b>  | - | Dr. J.M.R.S. Appuhamy            |
|   | - | Dr. K.S. Wanniarachchi           |
| <b>Fisheries and Marine<br/>Sciences &amp; Technology</b> | - | Dr. P.N. Ranasinghe              |
|   | - | Dr. (Ms.) K.R. Gamage            |
| <b>Humanities &amp; Social Sciences</b>                   | - | Dr. D.P.P.G. Liyanage            |
|   | - | Dr. B.H.M.W. Bohingamuwa         |
| <b>Management &amp; Finance</b>                           | - | Dr. Tissa Hemaratne              |
|   |   | Mrs. K.A.S. Sriyani              |
| <b>Medicine</b>   | - | Dr. M.B. Samarawickrama          |
|   |   | Dr. (Mrs.) T.G. Liyanage         |
| <b>Science</b>  | - | Dr. T.G. Dayananda               |
|   | - | Dr. S. Wanniarachchi             |
| <b>Technology</b>   | - | Dr. K.H. Thissa Karunarathne     |
|   | - | Dr. (Ms.) V.H.P. Vitharana       |

## Corporate Goals – 2019 - 2023

1. Expanding access to education, research and services.
2. Enriching quality of education.
3. Enhancing relevance of education and research.
4. Empowering justice and Equity.
5. Ensuring good governance.
6. Endowing invention and innovation.
7. Epitomizing the uniqueness

# Part II - Development Highlights

## Achievement of Corporate Goals

### Goal 01 - Expanding Access to Education, Research and services

- New Distance Learning Course – Faculty of Humanities and Social Sciences

|                                  |
|----------------------------------|
| <b>Higher Diploma in English</b> |
|----------------------------------|

- Due to COVID 19 most of the degree programmes conducted online throughout the year
- Student Enrolment in 2019 and 2020

|               |             |             |
|---------------|-------------|-------------|
|               | <b>2019</b> | <b>2020</b> |
| <b>Intake</b> | 2392        | 2459        |

### Goal 02 - Enriching Quality of Education

- 51% of Academics with PhD s
- Academic Staff Distribution as at 31<sup>st</sup> December, 2020

| Faculty      | Senior Professor | Professor | Associate Professor | Senior Lecturer | Lecturer  | Lecturer (Prob.) | Total      |
|--------------|------------------|-----------|---------------------|-----------------|-----------|------------------|------------|
| Agri.        | 8                | 15        | 1                   | 26              | 7         | 12               | <b>69</b>  |
| AHS          |                  | 1         |                     | 14              |           | 19               | <b>34</b>  |
| Eng.         |                  | 2         |                     | 46              | 5         | 21               | <b>74</b>  |
| FMST         | 1                | 3         |                     | 9               | 5         | 9                | <b>27</b>  |
| H&SS         | 6                | 3         | 5                   | 68              | 2         | 28               | <b>112</b> |
| Mgt.         |                  | 1         | 1                   | 38              | 6         | 7                | <b>53</b>  |
| Med.         | 7                | 20        | 2                   | 49              | 3         | 19               | <b>100</b> |
| Sci.         | 4                | 12        | 2                   | 50              | 7         | 19               | <b>94</b>  |
| Tec.         |                  | 1         |                     | 8               |           | 28               | <b>37</b>  |
| <b>Total</b> | <b>26</b>        | <b>58</b> | <b>11</b>           | <b>308</b>      | <b>35</b> | <b>162</b>       | <b>600</b> |

- Lecture theatres and laboratories with modern teaching facilities
  - New Language Lab and IT Lab were established in the Public Policy Department under the AHEAD Project – Faculty of Humanities and Social Sciences
  - Department of Engineering Technology were established Engineering Technology Lab, Mechanical Machine Shop, Electronic and Simulation Lab, Material Lab, Robotics and Automation Lab, Automobile Lab - Technology

➤ Ranking of University of Ruhuna

- Webometric Ranking – 2020

|                          |      |
|--------------------------|------|
| <b>Sri Lanka Ranking</b> | 04   |
| <b>World Ranking</b>     | 2503 |

### **Goal 03 – Enhancing Relevance of Education and Research**

➤ Providing of industrial training / implant training / internships for the undergraduates

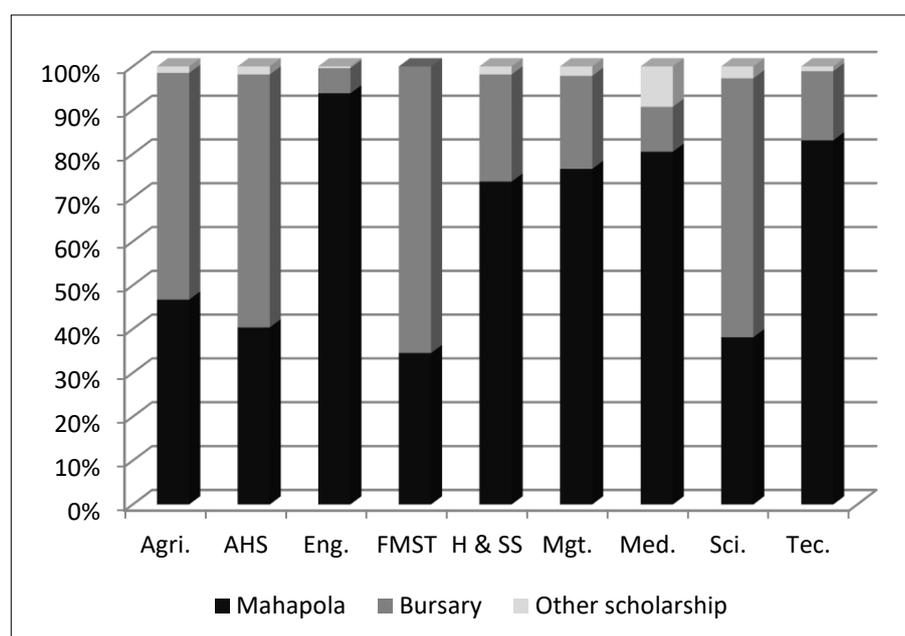

- All the fourth year undergraduates are provided with two month industrial training – Faculty of Fisheries and Marine Sciences & Technology
- Interneship training for the 4000 level students following Archaeology, History, Geography, Sociology, Economics and Public Policy – Faculty Humanities and social Sciences

Internship wre introduced as compulsory course in all the honours degree programmes to be implemented from the 2019/2020 academic year onwards – Faculty Humanities and social Sciences

- Students following Engineering Technology degree program were successfully completed their six months of industrial training and NAITA has already evaluated their training and all student have got through it – Faculty of Technology
- Students following Information and Communication degree program started the industrial training – Faculty of Technology

## Goal 04 – Empowering Justice and Equity

- Financial Assistance for who have dire economic / social needs

## Goal 05 – Ensuring Good Governance

- Conduct of regular Action Plan Progress Review Meeting

## Goal 06 – Endowing Invention and Innovation

- Promote awareness programs of developing inventions and obtaining patents

## Goal 07 – Epitomizing the Uniqueness

- ‘Diving Unit’ was established at the Department of Oceanography and Marine Geology with approval of the council
- Marine Aquaculture facility was developed and the Taiwan Marine Research Center was established

# Highlights – Year 2020

## 1. Foundation Laying Ceremony for the New Building Complex for Faculty of Allied Health Sciences

## 2. Construction of the Professorial Ward Complex for Faculty of Medicine

## 3. Academic Program Developments

- \* COURSERA online learning platform was introduced to students – Faculty of Allied Health Sciences
- \* Whole curriculum of the BSc Hons in Marine and Freshwater Sciences for level IV has been introduced – Faculty of Fisheries and Marine Sciences
- \* Revised curriculum of BSc Hons in Fisheries and Marine Sciences for level IV has been implemented – Faculty of Fisheries and Marine Sciences
- \* The course “Geomatics” (45 hours) for the TROPIMUNDO – Erasmus Mundus joint Master Degree in Tropical Biodiversity and Ecosystems – Faculty of Science
- \* Introduced a new course unit of “Introduction to Robotics” for the proposed Honors Degree Programme – Faculty of Science
- \* Introduced Electronic System Design, Mechanics of Machines, Machine Design, Programmable Digital Electronics and Power Electronics and Applications

#### **4. National and International Research Symposiums conducted**

- \* 17<sup>th</sup> Academic Sessions & 16<sup>th</sup> Vice Chancellor's Award Ceremony
- \* 3<sup>rd</sup> Research Symposium of the Faculty of Allied Health Sciences (RuFARS-2020)
- \* 7<sup>th</sup> Ruhuna International Science and Technology Conference 2020 (RISTCON-2020)
- \* 6<sup>th</sup> Ruhuna University International Conference on Humanities and Social Sciences (RUICHSS-2020)
- \* Ruhuna Arts Students' Annual Sessions (RASAS-2020)
- \* 9<sup>th</sup> International Conference on Management and Economics (ICME-2020)
- \* Internatinal Symposium on Agriculture and Environment (ISAE – 2020)

#### **5. Signed New MOUs with;**

- \* Guizhou Academy of Sciences, China
- \* Chulabhorn Graduate Institute, Thailand
- \* Cardiff Metropolitan University, UK
- \* Moscow University, Russia
- \* Chartered Institute, Sri lanka
- \* Sri lanka Inventors Commission, Sri Lanka
- \* Dialog Axiata (Pvt) Ltd., Sri Lanka

#### **6. Sports Highlights**

- \* University of Ruhuna Represented the Online 2020 World Taekwondo Asia Poomsae Open Championship
- \* University of Ruhuna Represented the 1<sup>st</sup> Virtual Taekwondo national Championship

#### **7. Invention & Innovation**

- \* Vacuum powered sprouted seed establisher – Silver Medal “Sahasak Nimavum” – 2020 – Faculty of Agriculture
- \* MEDICUS+ (Medical Robot) prototype development – Faculty of Engineering
- \* Healthy Nutritional instant food was invented and commercialized via TTO – Prof. K.G. Somasiri – Faculty of Medicine
- \* Microscope-in built camera, Soil hudrometer and Hydraulic conductivity meter – Faculty of Science
- \* Solar powered automatic hand sanitizer, Automated Small Finger Marker and Modified Hazmat Suit with Controllable inside temperature and Smart safety door system – Faculty of Technology

## **8. Quality Assurance Highlights**

- \* Establishment of Centre for Quality Assurance (CQA)
- \* Establishment of Senate Standing Committee on Quality Assurance
- \* Formulation of QA Strategic Plan for 2021-2023
- \* Amendment of QA By-Laws
- \* Formulation of University Policy “Student Feedback and Peer Evaluation on Teaching and Learning Activities”
- \* Establishment of two new internal Quality Assurance Cells; for 1). Distance and Continuing Education Programmes and 2. For Library Services
- \* Launch of CQA webpage
- \* Coordination of the introduction of seven new undergraduate programmes, four postgraduate programmes and revision or introduction of 21 Certificate/Diploma/Undergraduate Courses
- \* Preparation of Annual Employability Survey Report
- \* Preparation and the submission of Self Evaluation Report for Institutional Review
- \* Coordination of the Programme reviews in the Faculty of Agriculture, Faculty of Medicine, Faculty of Engineering, Faculty of Engineering and Faculty of Allied Health Sciences

## Alignment of University of Ruhuna Goals with Sustainable Development Goals of Sri Lanka

| Sustainable Development Goals in Sri Lanka   | University of Ruhuna Goals   |
|--|--|
| <p><b>Goal 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all</b></p> | <p><b>Goal 2. Enriching Quality of Education</b></p> <ul style="list-style-type: none"> <li>• Ensure 70% of the academic staff have obtained PhD or PhD equivalent qualifications by year 2023</li> <li>• Complete all the programme reviews of faculties and prepare the University for institutional review</li> <li>• Provide access to ICT facilities for all academic staff and students by expanding Wi-Fi facilities by 2023                             <ul style="list-style-type: none"> <li>✓ Increase the percentage of areas covered by Wi-Fi within the University premises</li> <li>✓ Increase the percentage Hostels covered by Wi-Fi</li> <li>✓ Ensure all Academic staff are provided with personal computers</li> </ul> </li> </ul> |
|  | <p><b>Goal 3. Enhancing Relevance of Education and Research</b></p> <ul style="list-style-type: none"> <li>• Revise curricular of all the undergraduate degree programmes in order to increase the overall employability up to 95% within one year of graduation by year 2023</li> <li>• Complete the introduction of the principles of Outcome Based Education (OBE) methods to all curricula by 2023</li> </ul>  |
|  | <p><b>Goal 4. Empowering Justice and Equity</b></p> <ul style="list-style-type: none"> <li>• Ensure the provision of basic infrastructure facilities to cater to differently abled persons in essential buildings by 2023</li> <li>• Improve learning facilities for a total of 25 differently abled students by 2023</li> </ul>   |
| <p><b>Goal 5. Achieve gender equality and empower all women and girls</b></p>  | <p><b>Goal 4. Empowering Justice and Equity</b></p> <ul style="list-style-type: none"> <li>• Ensure at least 30% of female representation among office bearers of all student unions and study circles by 2023</li> </ul>  |

| <b>Sustainable Development Goals in Sri Lanka</b>   | <b>University of Ruhuna Goals</b>  |
|---|--|
| <p><b>Goal 9. Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation</b></p> | <p><b>Goal 2. Enriching Quality of Education</b></p> <ul style="list-style-type: none"> <li>• Ensure that 60% of the administrative process and functions will be automated by 2020 and by 2023 it will be converted into a fully automated system by 2023</li> <li>• Integration of management information system (MIS) in all faculties, libraries and administrative units by 2023</li> <li>• Increase the physical assets by 50% including all lecture theatres and laboratories with modern teaching facilities by 2023</li> <li>• Increase the digital library facilities by 60% by year 2023</li> </ul> |
|   | <p><b>Goal 1. Expanding Access to Education, Research and Services</b></p> <ul style="list-style-type: none"> <li>• Increase the capacity and facilities for research by 25% by year 2023</li> </ul>   |
|   | <p><b>Goal 6. Endowing Invention and Innovation</b></p> <ul style="list-style-type: none"> <li>• Develop and maintain a database of inventions and patents of University of Ruhuna by 2023</li> <li>• Obtain five national and one international patents per year by 2023</li> <li>• Commercialize two patents per year by 2023</li> <li>• Achieve five participations in national and international exhibitions of invention and innovations per year</li> <li>• Promote 10 awareness programs of developing inventions and obtaining patents by 2023</li> </ul>  |
|   | <p><b>Goal 3. Enhancing Relevance of Education and Research</b></p> <ul style="list-style-type: none"> <li>• Ensure 80% of research undertaken by university to address the national/regional needs by year 2023</li> <li>• Improve the mechanism for commercialization of research by 2023</li> <li>• Ensure successful commercialization of 10 research projects and enter in to 20 external agreements by 2023</li> </ul>   |

| Sustainable Development Goals in Sri Lanka   | University of Ruhuna Goals   |
|--|--|
| <p><b>Goal 10. Reduce inequality within and among countries</b></p>  | <p><b>Goal 4. Empowering Justice and Equity</b></p> <ul style="list-style-type: none"> <li>• Maintain the conducive environment for all ethno-religious communities to study and live in harmony</li> <li>• Ensure equal opportunities in all activities irrespective of gender, ethnicity and religion</li> </ul>   |
| <p><b>Goal 14. Conserve and sustainably use the oceans, seas and marine resources for sustainable development</b></p>  | <p><b>Goal 7. # Future Projection Report based on Sustainable Development

(According to Section 17 (d) of part III of National Audit Act, No. 19 of 2018)

## Activities related to the green environment concept in year 2020

### 1. Green house

Establishment of a plant production house to fulfill plant requirements for landscape activities was implemented. Different foliage and flowering plants were produced with the help of plant production house and used for ongoing landscape projects. A cluster of ready-made decorative plant pot stock was begun to maintain and seems to be reduce the cost of decorations stuffs during the future ceremonial occasions.

### 2. Landscape Master Plan

A master plan for landscape development in Wellamadama premises was developed after series of discussion with experts personals from Faculty of Agriculture and Department of Botany. Conservation of existing valuable plant species and introduction of new species were also included to the master landscape plan to improve the scenic beauty and the species variation inside the university. The arable land used for Vehicle Park in front of the main lake of the university premises was proposed to develop as a regular vehicle and leisure park.

### 3. Waste Disposal

A proper waste disposal system was continued inside the university. Daily waste was collected to the separate bins and sent out side separately as glass, Plastic polythene and paper waste. Swirl was sent to feed pigs at the farm at faculty of agriculture and some used for compost production facility at Wellamadama premises.

#### 3.1 Compost Production

Compost production was continued in the university premises. Daily collected leaf litter and the some amount of swirl collected from the canteens were used as the material and compost was used to feed the plants and beds in the university garden.

## Part III - Staff Information

**Employee Classification (According to Director General's – DMS - letter No. DMS/1528 (S) Vol - 1)**

| Service Category                               | Salary Code  | Actual Cadre |

# Part VI – Reports of Faculties

## Faculty of Agriculture

### Dean’s Statement

Year 2020 was a year full of challenges due to the COVID – 19 outbreaks all over the world. The country was in a lockdown situation from March 2020 to May 2020 and therefore, the University of Ruhuna also was closed and was out of bound for the students.

However, the lectures were conducted via online for the students. The University was reopened and lectures and practical were conducted according to the normal schedule for the students with strict health guidelines. The need of technology enabled and student centered learning was emerged. One semester was completed by zoom lectures and another semester is going on. The Industrial Training program for the final year students also was cancelled for ARMT and AB students. But the GT students have successfully completed their Industrial Training program and the evaluation of them also was completed. ARMT and AB students were asked to commence their final year research component instead of the industrial training program.

Accordingly, Faculty is working to offer a Diploma in Agricultural Machineries Operation Technology (DAMOT), Agro Entrepreneurship and Economical Home Gardening, Scientific Plantation of export Oriented Crops and Urban Agriculture and Edible Home Gardening are main courses processing to offer on distance mood.

Smart Agro-ecosystem Based Resilience Center (fully-equipped modern resource center with a state-of-the-art ICT facility) has been proposed by the BRITAE funded by EU grant.

Faculty was able to perform well in the Program Review and obtained Grade “A” for Agribusiness Management and Green Technology degree programs and Grade “B” for Agricultural Resource Management & Technology degree program.

In my opinion, the challenge of 2020 was well accepted by the Faculty and I am proud to work with such staff and students of the Faculty.

# Faculty of Allied Health Sciences

## Dean's Statement

Year 2020 was a remarkable year in the Faculty History as the foundation stone for the construction of new faculty complex was laid on 10<sup>th</sup> December 2020. Even though many activities were affected by Covid-19, Faculty of Allied Health Science (FAHS) was successful in conducting academic and other related activities using the novel technologies.

FAHS stopped all academic activities on 16<sup>th</sup> March 2020 as per the government instructions. With the support of Zoom technology, all departments started to continue the lecture and tutorial classes since 20<sup>th</sup> April 2020. The Faculty conducted following examinations after the successful completion of academic works.

### Department of Medical Laboratory Science

Year End Examination - Year 4 - 2014/2015 (08<sup>th</sup>) Batch (18/12/2020 - 13/01/2021)

Year End Examination - Year 2 - 2016/2017 (10<sup>th</sup>) Batch (17/11/2020 - 03/12/2020)

Year End Examination - Year 1 - 2017/2018 (11<sup>th</sup>) Batch (24/08/2020 - 02/09/2020)

### Department of Nursing

3<sup>rd</sup> end semester examination - 10<sup>th</sup> batch (10.12.2019 - 09.01.2020)

5<sup>th</sup> end semester examination - 09<sup>th</sup> batch (14.01.2020)

7<sup>th</sup> end semester examination - 08<sup>th</sup> batch (27.01.2020)

2<sup>nd</sup> end semester examination - 11<sup>th</sup> batch (06.10.2020 - 21.10.2020)

4<sup>th</sup> end semester examination - 10<sup>th</sup> batch (18.11.2020 - 03.11.2020)

6<sup>th</sup> end semester examination - 09<sup>th</sup> batch (15.12.2020 - 23.12.2020)

### Department of Pharmacy

Fourth BPharm - Part II - 06<sup>th</sup> batch (29.06.2020 – 10.08.2020)

Third BPharm - Part II - 07<sup>th</sup> batch (29.08.2020 – 07.09.2020)

Second BPharm - Part II - 08<sup>th</sup> batch (08.09.2020 – 18.09.2020)

First BPharm - Part II - 09<sup>th</sup> batch (23.09.2020 – 06.10.2020)

First BPharm - Part I - 10<sup>th</sup> batch (16.11.2020 – 27.11.2020)

In addition, the FAHS was successful in conducting RuFARS – 2020; the annual research symposium of the faculty for the third consecutive year. This year, we have published 64 abstracts (29 oral and 35 poster).

FAHS was fortunate to be a co-host of the 18<sup>th</sup> Academic Sessions and the 17<sup>th</sup> Vice Chancellors awards which is scheduled to be held on 03<sup>rd</sup> March 2021.

Moreover, the FAHS is waiting for the Ministry of Foreign Affairs approvals for two MOUs between Chulabhorn Graduate Institute, Thailand and Asia Development Center Association (ADCA), International Internship Consultancy Services, Japan.

Inauguration ceremony for 12<sup>th</sup> batch of students of the Faculty was held on 19.02.2020 and currently they are working on the respective semesters and terms.

We conducted 10 Faculty Board meetings during the year 2020.

### **Administrative positions**

Our academics obtained following administrative positions in the University.

**Head, Department of Pharmacy** – Ms. K A K D Wijesekera (Senior Lecturer/Department of Pharmacy)

### **Promotions**

Our academics obtained promotions as follows.

#### **Professor**

Dr. Imendra Kotapola – Department of Nursing

#### **Senior Lecturer Grade I**

Dr. W V R T D G Bandara – Department of MLS

Dr. H H Peiris – Department of MLS

Dr. S K Hettihewa – Department of Pharmacy

#### **Senior Lecturer Grade II**

Dr. H W A S Subasinghe – Department of Pharmacy

Ms. K K P M K de Silva – Department of Nursing

Ms. M W K Gamage – Department of Nursing

Ms. H J H Madhushanthi – Department of Nursing

Dr. S M T D Sundarapperuma – Department of Nursing

#### **Lecturer (Confirmed)**

Dr. R H M P N Rathnayake – Department of Nursing

### **New recruitments**

Following staff members were recruited to the Faculty during the year 2020.

Mrs. G H C Nadeeshani – Assistant Registrar

Ms. S Iresha – Assistant Bursar

Mr. W H P Kumara – Assistant Network Manager

### **Faculty Infrastructure development**

- Faculty of Allied Health Sciences received the approval from the Land Reform Commission for the acquisition of 10 acres land from Walahanduwa Estate, Walahanduwa.
- Foundation stone laying ceremony for the construction of the Faculty of Allied Health Sciences at Walahanduwa was held on 10<sup>th</sup> December 2020.

- LEARN facility was established at the Departments of Medical Laboratory Sciences and Pharmacy at Uluvitike premises.

**Rs. 10 Mn** has been spent for purchasing capital equipment in the Faculty of Allied Health Sciences for the year 2020.

# Faculty of Engineering

## Dean's Statement

The Faculty plans was changed based on the subsequent resurgent of the Covid 19 pandemic and Government rules and regulations during the year 2020. Faculty has functioned under the leadership of Dr. H.P. Sooriyaarachchi, Senior Lecturer attached to the Department of Civil and Environmental Engineering who has been serving as the Dean since 1<sup>st</sup> January 2019.

The 21<sup>st</sup> batch with 275 students was admitted to the Faculty of Engineering on 13<sup>th</sup> May, 2020 with a small online inauguration and started their development programme via on line. Considering last year, the 25 additional numbers of students were admitted to the Faculty from 2018 A/L batch. UGC has now issue a prospect for 2019 A/L and that issue has allocated 510 students to the Faculty of Engineering from the 2019 A/L batch such as 2018 A/L Normal intake (275 students), Computer Engineering degree Programme (200 students), Marine Engineering and Naval Architecture programme (10 students), Additional Students for the Department of Civil and Environmental Engineering (25 students) and Computer Engineering programme (200 students).

Faculty has taken steps to inform to the Chairman UGC regarding the funding requirement of the Faculty for increase intake. This year Faculty has received Rs. 40 Million from AHEAD Project for increased intake of students for the Faculty. A meeting between the University Grants Commission (UGC) and the University of Ruhuna (UoR) to discuss the status of the four proposals submitted by the Faculty of Engineering to increase the student intake and urgent financial and human resource requirements to facilitate these proposals were held on Friday, 10<sup>th</sup> July 2020 at 1.00 p.m. over the Zoom. At this meeting UGC has agreed to release LKR 101.4mn as furniture and refurbishment cost for lecture venues for the 2019 A/L students and also confirmed, that commission in their last sitting has already agreed to released previously defaulted payment of 30 million in relation to equipment grant for the Faculty.

For the preparation of increased intake of students for the first year arrangements was made to convert old library building into computer center to cater 235 additional students and 510 students in total.

The surveying work camp for 18<sup>th</sup> batch of undergraduates specializing in the field of Civil and Environmental Engineering was conducted from 6<sup>th</sup> March 2020 until 19<sup>th</sup> March 2020 at the Irrigation Institute at Galgamuwa.

The Engineering Education Center of the Faculty arranged three-month industrial training for 4<sup>th</sup> and 6<sup>th</sup> year Engineering undergraduates at various industries in Sri Lanka with the support of National Apprentice and Industrial Training. Due to COVID – 19 pandemic the training was call off and started the odd semester academic activities. Zoom was used for all teaching when social distance cannot be maintained. Five number of smart teaching class rooms were developed in department wise to ensure proper delivery of lecture material

The Faculty has opened for students for their academic activities physically on 28<sup>th</sup> November, 2020 and it was done by batch wise starting from final years. They were completed their laboratory work under governmental guide lines and was maintained all social distancing and other preventive measures in all places inside the faculty, hostels, canteen and labs.

The department of Civil and Environmental Engineering received the 'Full Accreditation' from the IESL for the period from 2021 to 2025.

The 7<sup>th</sup> Annual Research Symposium (ARS – 2020) of the Faculty was held successfully on 6<sup>th</sup> July, 2020 at the Faculty of Engineering as online symposium this year.

The 8<sup>th</sup> Undergraduate Research Symposium on 'Recent Advances in Civil Engineering' jointly organized by the Civil and Environmental Engineering Society and Department of Civil and Environmental Engineering, Faculty of Engineering, University of Ruhuna, was successfully held on 3<sup>rd</sup> September 2020, at the faculty premises. They symposium showcased undergraduate achievements and research from all the areas of study at the Department of Civil and Environmental Engineering, University of Ruhuna.

Department of Electrical and Information Engineering has developed a medical robot that allows doctors to remotely diagnose patients taking vital measurements, with two-way audio-video communication. This was unveiled to the Teaching Hospital, Karapitiya on 05<sup>th</sup> May 2020.

## Faculty Review

# Faculty of Fisheries and Marine Sciences & Technology

## Dean's Statement

Year 2020 is the 15<sup>th</sup> year of the Faculty of Fisheries and Marine Sciences & Technology, which was established in year 2005. So far, the Faculty has produced nine batches of graduates specialized in the fields of Fisheries, Aquaculture, Limnology, Oceanography and Marine Geology. The 4<sup>th</sup> batch of the Degree programme, BScHons in Marine and Freshwater Sciences was enrolled in 2020. The revised curriculum of the degree programme of BScHons in Fisheries and Marine Sciences was introduced for level IV in 2020 in parallel with the introduction of the curriculum of level IV of BScHons in Marine and Freshwater Sciences. Moreover, Faculty has initiated for implementing a new degree programme of BScHons in Marine services and Resource Management, which will be conducted by the Faculty of Fisheries and Marine Sciences & Technology and Faculty of Management and Finance since 2023. Three short courses named customary law, national and international legislations applicable to fisheries, Ornamental fish breeding and culture, and Fish Post-harvest Techniques have been developed and recommended by the Faculty Board, IQAC, DCEU and SCQA. A review panel reviewed the course structure and the revised curriculum was recommended by SCQA.

A photocopy and printing centre was established at the Faculty premises to expand services for students. The academic programme was disrupted and delayed nearly two months during the lockdown period of the whole country due to Covid 19 outbreak. However, the Faculty has effectively conducted online teaching via zoom and LMS by completing an average of 50% of workload of the semester I, 2020. Also, official email addresses for all staff and students were provided and later academic programme was conducted physically following under new normal condition.

Faculty has been continuously provided the service through FMST-Service laboratory at the Department of Limnology and Water Technology for testing water and wastewater of industries in southern province as a registered laboratory in Central Environmental Authority of Sri Lanka. Students and staff of the Faculty conducted Beach cleaning program on 2<sup>nd</sup> February 2020 while celebrating world wetland day. Also, students in the societies of 'soft skills' and 'LimSo' have conducted a book donation programme for a rural school and online competition of article, photography and slogan for celebrating world environmental day on 22<sup>nd</sup> January 2020 and 2<sup>nd</sup> June 2020 respectively. The 'Diving Unit' was established at the Department of Oceanography and Marine Geology with recommendation of finance committee and approval of the council to provide training on swimming and diving according to international protocols. Moreover, faculty members have involved in social service activities and developed relations with other institutes; Dr. PBTP Kumara was appointed as the General Manager, MEPA, Prof. K.H.M.A. Deepananda was appointed as a member for NARA governing board in 2020. International collaborations were strengthen in year 2020 as such a Grant of US\$ 1618 Received from NSYSU, Taiwan to develop Marine research at Taiwan Sri Lanka Marine Research Station, UoR.

The Faculty members have published 10 international indexed journal papers, 2 non-indexed papers, 11 abstracts at different forums, and two book chapters in 2020. The Faculty members received national and international awards and recognition; Senior Professor P.R.T. Cumaranatunga was awarded Professor Emeritus title, Snr Prof. T.P.D. Gamage was awarded Guangdong Province Science and Technology Cooperation Award 2019 was presented in 2020, Mr. K.H.H. Niroshana represented Commonwealth Scholars, Chevening Scholars, and ACU Blue Charter Fellows, at Buckingham Palace, London, United Kingdom on March 2020.

## Faculty of Graduate Studies

### Dean's Statement

As a service to the country and the world, the faculty is committed to produce high caliber academics and researchers with advanced knowledge in diverse fields, targeting to be an outstanding center of excellence for advanced teaching, learning and research. In that endeavor, during the last year with draw backs in every sector of the country due to Covid-19 pandemic, the key purpose of the faculty was to run all the existing programs, without any interruption. The faculty was highly successful in that aim and, in addition, we were able to recruit new batches for ongoing programs without any drop compared to the previous normal situation.

However, as usual, the new recruitments for science based post graduate taught courses is somewhat low in this year also and it is a common phenomenon for the other universities also.

| Postgraduate Program                          | New Admissions | Total Enrolment |
|---|----------------|-----------------|
| Master of Business Administration             | 20             | 121             |
| Master of Business Management                 | 78             | 176             |
| Master of Arts in Sociology                   | 72             | 316             |
| Master of Arts in Economics                   | –              | 225             |
| Master of Arts in Peace & Development Studies | 23             | 73              |

# Faculty of Humanities and Social Sciences

## Dean's Statement

The Faculty of Humanities and Social Sciences of the University of Ruhuna is composed of nine academic departments - Economics, English and Linguistics, English Language Teaching, Geography, History and Archaeology, Pali and Buddhist Studies, Public Policy, Sinhala, and Sociology; a unit Information Technology; and two centers - Modern Languages and Civilization and Natural Disaster Information Center.

A brief review of the faculty in the year 2020 has been given below under the 07 goals of the university strategic plan.

**Expanding access to education, research and services** - The faculty offers degree programmes namely the Bachelor of Arts (General) and Bachelor of Arts (Special) degree (Recently revised as Bachelor of Arts Honours) for the internal students, and the Bachelor of Arts (General) degree for the external students as its main concern. Although, the normal intake of the faculty is 350 students, it accommodated 478 students who were selected by the University Grants Commission (UGC) to the faculty in the year 2020. The outreach programmes of the faculty include diploma and certificate courses in a range of fields that contribute to the socio-economic development of the country. With the broadening of horizons in the academic and research fields, the faculty has been able to attract a large number of students. Meantime, 04 Issues of Journal on Social Sciences and Humanities Review and two issues of Faculty Journal on Humanities and Social Sciences published during the year 2020.

**Enhancing quality of education research and services** - The Faculty of Humanities & Social Sciences grooms the students for a professional life by providing them with a broad understanding of the traditions that operate in a wide range of humanistic and social science disciplines. The faculty conceives education as a positive force that builds a strong foundation for good citizenship, mutual respect, democratic values and tolerance of diverse opinions. 90% of the faculty academic staff obtained post graduate qualifications and the PhD qualified academic percentage which was 32% in the year 2019 was increased to 40% in the year 2020. The faculty, in the year 2020, made the use of Learning Management System (LMS) as compulsory for all the course units. Several training programmes were conducted for both students and the academics on the use of LMS. The Faculty's MIS has been fully automated and the Academic Workload Model was completed by all the academics of the faculty with 100% achievements. Despite the Covid 19 pandemic situation, all the academic activities of the faculty were conducted via online mode during the year.

**Enhancing relevance of education and research** - The faculty introduced new curricular aiming to improve the degree programmes offers by the faculty to reach the market/ society needs. The career guidance programmes of the faculty further strengthened with combining several other related activities. The process was resulted more than 1600 students attending various career guidance activities of the university. The Annual Students Sessions (RASAS-2020) conducted in the year 2020 through online mode, provided opportunities for a large number of students to present and share their research findings and also learn more on the research activities. The Faculty's Annual International Conference (RUICHSS-2020) was also held via online with financial assistants from the NORHED-CPDS project, providing opportunities to the academics and researchers to present, discuss and share research outcomes. Further, the newly enrolled students of the faculty were provided an English Language and ICT intensive course.

**Ensuring justice and equity with respect to gender, ethnicity, religion and differently-abled Persons** - The faculty continued its cell which supports the people with disabilities. The faculty

continually offered course unit on social harmony. In the year 2020, a new project on Developing Inclusive Education for Students with Disabilities was commenced under Erasmus + funding. In the newly revised syllabus, a Tamil language course unit was introduced as a compulsory subject for all the students of the faculty. The Centre for Modern Languages and Civilization of the faculty, conducted several language courses including Tamil, Chinese, French and Hindi, targeting internal students of the faculty.

**Enhancing good governance through effective and efficient management of the resources -** Around 80% of the vacancies of the faculty were filled and the remaining vacancies have been advertised. 04 new academic cadres were received under increased intake as the intake was increased from 350 to 600. The students cancelling and students mentoring programmes were continued successfully while the Grievances Handling Committee was further strengthened by introducing online system to report student grievances.

**Empowering invention and innovation -**The faculty could conduct several awareness sessions regarding the matter and it had been initiated to develop and maintain a database of inventions and innovations of the faculty. The students were encouraged to achieve participations in national and international exhibitions in inventions and innovations.

**Epitomizing the uniqueness -** Curricular was completed for a Diploma programme on Tourism.

## Faculty of Management and Finance

### Dean's Statement

The Bachelor of Business Administration honours degree programs at the Faculty of Management and Finance aimed at producing graduates of high caliber, who can cater to the emerging needs in the business management profession both locally and internationally. All the degree programs at the Faculty are four-year honours degree program placed at SLQF level 6. By following these program, the students will learn major concepts, theories, and techniques relevant to four specialization areas (i.e. Accounting and Finance; Entrepreneurship, Human Resource Management and Marketing), together with other important skills such as communication skills, analytical skills, and problem-solving skills required to understand and manage the factors shaping the modern business administration sphere. Further, the compulsory independent research project promotes life-long learning skills and competencies in building defensible arguments, while the internship training exposes students to the industry, giving an experience of how knowledge, skills, and attitudes they have acquired are applied in a corporate environment.

The Faculty reviews its strategic plan on a regular basis and endeavor is made to achieve the Goals specified at the University Corporate Plan -2023. Following Tables provide the details of the achievements of the year 2020.

# Faculty of Medicine

## Dean's Statement

**The first two months were uneventful and academic activities were progressing smoothly.**

The Faculty and the university was closed on 13<sup>th</sup> of March 2020 as a result of COVID-19 outbreak, for a period of over two months. After the initial closure there was staggered opening prioritizing the requirements of the different batches of medical students. During this period maximum effort was taken to continue clinical appointments uninterrupted and was successful in conducting final MBBS examination for the 36<sup>th</sup> batch of students and getting ready the 37<sup>th</sup> batch to sit the scheduled final MBBS examination on time. Most of the teaching converted to online mode and the Faculty developed an approach to get the batches of students in a staggered way for them to complete essential practical sessions required to be ready for examinations, minimizing the risks. During this period we have successfully conducted all the examination including the in-course assessments without significant delays. However in December 2020 six students were found to be positive for Covid 19 and as a result the entire hostel was converted to a quarantined area and was managed by the Faculty and successfully prevented the internal spread completely.

## The Staff

Following members are promoted to Senior Professors.  
Professor. Mahinda Kommalage of Department of Physiology.  
Professor K.D. Pathirana of Department of Medicine.

Following members are promoted to Professors/Associate Professor.  
Dr. M.M.A.J. Kumara of Department of Surgery.  
Dr Samarawickrema of Departments of Anatomy.

Following members were promoted as Senior Lecturers Grade I.  
Dr. P.L.G.C. Liyanage of Department of Pharmacology.  
Dr. L.B.L. Prabodha of Departments of Anatomy.  
Dr. C.M. Wickramathilake of Department of Biochemistry .  
Dr. A.P. Attanayake of Department of Biochemistry.  
Dr. D.L.W. Dasanayaka of Department of Obstetrics and Gynecology.

Following members were promoted to Senior Lecturer Grade II.  
Dr. P.L.A.N. Liyanage of Department of Community of Medicine.  
Dr. P.P.W.D. De Zoysa of Department of Medicine.  
Dr. (Mrs) S.S. Wickramasinghe of Department of Microbiology.  
Dr. K.K.W.J.C. de Silva of Department of Community Medicine.

Faculty recruited several academic staff members out of which 01 new Senior Lecturer and 01 new Probationary lecturer already assumed duties.

Dr. S.A. Mendis to Department of Pharmacology was joined as a lecturer probationary.  
Dr. K.P.V.R. de Silva to Department of Surgery was joined as a senior lecturer.

There were no new recruitments in the non-academic category 2020.

Professor K.G. Somasiri retired after a continuous service of 30 years in the Faculty of Medicine.

Professor Menik Hettihewa resigned from her position in the Department of Pharmacology after serving for 25 years.

### **National Contribution by the Academic Staff**

Dean Professor Vasantha Devasiri was inducted as the President of the Sri Lanka College of Paediatricians in January 2020.

Professor Sujeewa Amarasena was appointed as a member in Presidential Task Force to control COVID 19.

Professor Madhu Wickremathilaka was appointed as President of Sri Lanka Nutrition Society.

### **Awards**

Professor Channa Yahathugoda won the Vice Chancellors award for the highest number of grants received.

Professor Manjula Hettiarachchi won the Vice Chancellor's award for the "The Most Outstanding Scholar for the year 2019. Awarded in 2020.

### **Research Grants**

During this period following academics won research grants.

Dr Gaya Wijyaratne has awarded NRC grants

"NRC Rapid response grants – R & D Interventions against COVID – 19"

Dr. Gaya Wijyaratne – Grant number – NRC CVD 20-07

Topic – "Covid – 19 surveillance in the Southern Province of Sri Lanka".

Dr Nayani Weerasinghe has awarded NRC Grant,

"NRC Rapid response grants – R & D Interventions against COVID – 19"

Dr. Nayani Weerasinghe – Grant number – NRC CVD 20 – 08

Topic – "Covid – 19 in a subset of community in Sri Lanka and the possible exposure to risk factors.

### **Infrastructure Development**

The Faculty used Rs 30 million allocated AHEAD funds planning to increase students' intake. The money was used to improve the laboratory facilities and to upgrade the tutorial rooms in the pre-clinical departments.

The foundation stone of the Professorial Ward Complex laid ) by the Vice Chancellor of the university in a modest function held on 21.02.2020. Money allocation of SLR 1,138,355,200.00 + VAT was secured for the Professorial Ward Complex and construction work started in December 2020.

The contract of the proposed 12 stores building is awarded to CECB and the contractor agreed to make proposed changes in the building to provide facilities to conduct examinations and skills training which was not there in the original plan.

Faculty acquired the 3-acre land "Keselgashena" Pinnaduwa Galle to build up a playground and the sports complex requested another 3 acres of land from LRC to develop hostels, quarters. Money allocation of Rs. 13,285,750.00 secured for this project and restarted construction towards the end of 2020.

## Annual Academic Sessions

The Faculty held its Annual Academic sessions were not held under prevailing circumstances.

## Sports Activities

The Faculty had to cancel most of the sports activities but new policy decisions were adapted to improve the quality of the sports activities.

## Programme Review

Program Review of the Faculty is conducted in January 2020 and received a C grade. Faculty had taken positive steps identifying the deficiencies and restructured the entire quality assurance process. The action plan is sent to the Director CQA. A series of workshops were conducted in view of improving the quality of the program.

## Curricular Revision

Successfully maintained the process of curriculum revision activities during 2020 and the process has come to its final stages. During this period there was active participation of the Faculty and 10 workshops were conducted.

Despite the existing unfavorable circumstance lot of re-habilitation activity were completed during this period which include upgrading the Senior Common Room, Deans Office, Expanding the office area with renovation of the clinical Investigation unit and replacing mainly electricity panels.

Other new developments were change in the MCQ marking from manual to OMR.

Management Information Systems is upgraded and the annual registration and the registration of the examinations to be done through MIS.

# Faculty of Science

## Dean's Statement

The Faculty consists of six departments in the subject areas of Botany, Chemistry, Computer Science, Mathematics, Physics and Zoology. Faculty of Science had been offering general and special degree programmes in Physical Science, Biological Science and Computer Science.

The UGC had decided to admit students from the batch of students who faced the GCE(A/L) examination in 2019 for the newly approved Bachelor of Science (Honours) Degree program in Financial Mathematics and Industrial Statistics.

The Faculty decided to increase the student intake for both Bachelor of Science and Bachelor of Computer Science. The following table illustrates the summary of the increase of the student enrolment starting from the batch of students who faced GCE (A/L) examinations in 2019.

### Number of students for each program with information of additional total intake of 290 students

| Degree program   | Previous intake up to 2018/2019 academic year | Proposed intake from 2019/2020 academic year | Increased number of students for each program |
|--|---|--|---|
| Bachelor of Science (B.Sc.)<br>Physical Science Stream,<br>Biological Science Stream | 210   | 300  | 90  |
|  | 150   | 250  | 100   |
| Bachelor of Computer Science (BCS)   | 50  | 100  | 50  |
| B.Sc. (Honours) in<br>Financial Mathematics &<br>Industrial Statistics<br>(FM&IS)    | Not applicable<br>(New Program)               | 50   | 50  |
| <b>Total</b>   | <b>410</b>                                    | <b>700</b>                                   | <b>290</b>                                    |

Faculty had been progressing well with the implementation of the activities relevant to the grants received under the AHEAD project as the faculty as well as individual departments that submitted applications jointly with academic staff within and outside the faculty.

The faculty is presently in the process of finalizing the proposals the proposal for the BSc Honours degree programme and the revised proposals will be submitted to Quality Assurance and Accreditation Council of the University Grants Commission. The faculty re-considered the proposals for introducing new honours degree programmes and identified the need of several changes in the proposed programmes.

Faculty successfully held the 7th Ruhuna International Science and Technology Conference. Members of the faculty published their research findings in local and international research conferences and journals.

Many of the academic staff members of the faculty received a number of grants from various entities and grant schemes.

In addition to that faculty members worked in special committees for different types of purposes within and outside of the university.

The specific details of curriculum development, research output, national services, community services, University services and international contributions of individual departments are given in Tables below.

## Faculty Review

| Programme  | Activity / Brief Information  | Beneficiaries /Output  |

# Faculty of Technology

## Dean's Statement

Senior Prof. W.G. D. Dharmarathne stepped down from the position of Dean Faculty of Technology due to the retirement on 12<sup>th</sup> February 2020. He has extended an immense service to the Faculty as the founder dean of Faculty of Technology of University of Ruhuna. Dr. K.G.S.H. Gunawardana assumed duties as the Dean of Faculty of Technology. Dr. B.L.S. Thilakerathne was appointed as the Head of the department of engineering technology filling the vacant position. Further, Dr. K. G.S.H. Gunawardana also serves as the acting Head of the Department of Multidisciplinary Studies. Dr. P.K.S.C. Jayasinghe and Dr. Wathsala Rajawatte are continuing as the Heads of Department of Information and Communication Technology and Department of Biosystems Technology respectively. Mrs. R. L. Hettiarachchi, the Assistant Registrar of Faculty of Technology was on maternity leave and Mr. Dammika Eldeniya was serving the Faculty covering up the duties. Mrs. R.L. Hettiarachchi was returned on 1<sup>st</sup> of June 2020 and continues in the post of Assistant Registrar. Mr. Romesh Ketippearachchi, the Assistant Bursar of Faculty of Technology was transferred to the main campus and Ms. P. Hewarathne former AB of Faculty of Agriculture was appointed as the new assistant bursar of Faculty from 9<sup>th</sup> October 2020.

The academic program of this year was interrupted due to the unexpected outbreak of the COVID-19 virus. The campus was closed on 13<sup>th</sup> March 2020 indefinitely due to the pandemic situation aroused in the world. However, with the support of the developed IT infrastructure of the faculty, we could start the academic program in virtual platforms from 23<sup>rd</sup> of March 2020. Since then the academic program is mainly conducting via virtual platforms. The students in different academic levels were called the Faculty to conduct examinations and relevant practical sessions at several occasions. On arrival, students were followed a quarantine process in Hostels before starting the academic works. This was supported by the vice chancellor of university of Ruhuna, public health inspector of university and the staff of the Kamburupitiya MOH office. The academic program of the final years was planned to move forward without any delay. The students completed the level 4 semester 1 in December 2020. The semester II is scheduled to compete in June 2021.

The 4<sup>th</sup> batch of students of FOT were admitted on 29<sup>th</sup> of January 2020. It was planned to continue with the orientation program up to 9<sup>th</sup> April 2020. The Orientation program consists of English teaching sessions and practical and lecturing sessions from academic departments. It was successfully conducted up to 14<sup>th</sup> March 2020. During the lock down period English sessions were conducted through virtual instructions by the staff of the Department of Multidisciplinary studies. Engineering Technology, Biosystems and the ICT departments had also conducted some sessions for these students.

Students of the Faculty of Technology were motivated through zoom sessions to develop applications to prevent the spread of the virus and related problems. Students developed projects in groups and had good discussion with the staff in solving their practical problems. They had developed good proposals and some of them had fabricated the products. The Faculty launched an online product demonstration session for students to present their innovations and proposals. It was named as FOT INVO 2020 and coordinated by Dr Udari Rathnathunga. Students participated enthusiastically and received good feedback from the staff. Some of the students' groups were later able to secure 2<sup>nd</sup> and 3<sup>rd</sup> place in the "shasak nimawum 2020" national competition under the university category and in other university level competitions.

In parallel to the infrastructure development and fund received under the AHEAD grant, the Faculty of Technology has planned to increase the student intake. Considering the request of additional intake

of UGC the annual intake will be increased to 355 from this year. These students are divided into three academic departments: Engineering Technology-165, Biosystems Technology-104, Information and communication Technology-86.

Students are encouraged and given opportunities engage in recreational and cultural activities inside the faculty. The staff of the Department of Multi-disciplinary studies are providing assistant to students of this path. Online programs and activities are conducted in three different areas: Music, Dancing and Drama. With the collaboration of staff and the students a Christmas Program was conducted successfully.

# Part VII – Awards and Special Events

## National and International Research Conferences

### 1. 17<sup>th</sup> Academic Sessions and 16<sup>th</sup> Vice Chancellor's Awards - 2020

17<sup>th</sup> Academic Sessions and 16<sup>th</sup> Vice Chancellor's Awards – 2020 of University of Ruhuna was successfully held on the 4<sup>th</sup> of March 2020 under the theme '*Innovation and Creativity for Social Wellbeing*' at Faculty of Humanities and Social Sciences. The Vice Chancellor of University of Ruhuna, Senior Professor Sujeeva Amarasena graced the inaugural ceremony as the Chief Guest. Professor Kusuma Karunaratne, Professor Emeritus delivered the keynote address on '21<sup>st</sup> Century Education, Prospects and Challenges' and the invited oration was delivered by Professor Sarath Amarasinghe, Professor Emeritus on 'Advanced Sociological Research to Address Social Issues in the Contemporary Sri Lankan Society'.

Seventy five academics disseminated new branches of knowledge through their respective research findings in technical and poster sessions, conducted under diverse disciplines. The most outstanding academics and students were recognized and honored at 16<sup>th</sup> Vice Chancellor's Awards Ceremony. The following Vice Chancellors awards and Emeritus Professorships were awarded in this event.

#### **Professor Emeritus**

Professor Sarath Amarasinghe – Faculty of Humanities and Social Sciences

Professor S. Wawwage – Faculty of Humanities and Social Sciences

Professor P.R.T. Cumarantunga – Faculty of Fisheries and Marine Sciences & Technology

Professor B.G. Nanayakkara – Faculty of Medicine

#### **Most Outstanding Scholar**

Dr. Manjula Hettiarachchi – Faculty of Medicine

#### **Most Outstanding Young Researcher**

Dr. Sunanda Kodikara – Faculty of Science

#### **Most Outstanding Student Inventor/Innovator**

Mr. K.T. Methdasun Sandamal – Faculty of Technology

#### **Highest Recipients of Grants**

Professor Channa Yahathugoda – Faculty of Medicine

#### **Most Outstanding Convener of International Conferences/Promoter of International Relations**

Dr. Sunanda Kodikara – Faculty of Science

## **2. International Symposium on Agriculture and Environment (ISAE) 2020**

International Symposium on Agriculture and Environment (ISAE) 2020 held on 14<sup>th</sup> February 2020 at the Faculty of Agriculture, University of Ruhuna. It is one of the major events organized by the Faculty of Agriculture where the staff and the students meet with the professionals around the world, in view of securing the future of Agriculture and Environment. The theme of ISAE 2020 was '*Redefining Agricultural and Environmental Policies: Emerging Challenges and New Horizons*'. The chief guest of the main event was Mr. Eric Lavertu, Ambassador of France to Sri Lanka. Around 170 scholarly articles related to 12 research themes were presented and around 400 participants locally and internationally were gathered at this event.

## **3. Ruhuna International Science and Technology Conference (RISTCON) 2020**

RISTCON is an excellent forum to share research findings on a wide range of areas in the fields of Science and Technology while opening doors for research interactions among peers across many disciplines. The 7th Ruhuna International Science and Technology Conference 2020 was held on January 22nd at the Faculty of Science. Professor Ruey-an Doong was the Keynote speaker from the Institute of Analytical and Environmental Sciences, National Tsing Hua University, Taiwan. Professor K.M.Nalin de Silva delivered the Guest speech. The theme of the conference was '*Sustainability through advancement in Science and Technology*'. The event was enlightened by 250 participants.

## **4. Research Symposium of the Faculty of Allied Health Sciences (RuFARS – 2020)**

3rd Research Symposium of the Faculty of Allied Health Sciences (RuFARS) was successfully held on 2nd October 2020 at the auditorium, Faculty of Medicine under the theme '*Developing Academic Integrity and Literacy through Research*'. Dean, Faculty of Nursing, University of Colombo was the keynote speaker and the Vice Chancellor, University of Ruhuna was the chief guest of the RuFARS – 2020. More than 60 abstracts related to Biomedical and Allied Health Sciences were presented at the symposium.

## **5. Ruhuna University International Conference on Humanities and Social Sciences (RUICHSS) 2020**

The 6th Ruhuna University International Conference on Humanities and Social Sciences was held virtually on 5th of November 2020, adjusting to the new normal circumstances in the context of COVID – 19. Vice Chancellor of the University of Ruhuna graced the occasion as the chief guest and Professor Sasanka Perera, Professor of Sociology, South Asian University, New Delhi took part in the session as the Keynote speaker. The online conference was fashioned by the theme '*Culture,*

Modernity and Social Transformation’ which provided a platform for its participants to engage in diverse disciplines in Humanities and Social Sciences under 10 areas.

## **6. Ruhuna Arts Student’s Annual Sessions (RASAS) 2020**

Ruhuna Arts Student’s Annual Sessions 2020 was successfully conducted as a virtual event on 6th of November 2020, for the fifth consecutive year. This research symposium for undergraduates was organized by the Faculty of Humanities and Social Sciences under the theme ‘The Spirit of Sprouting Researchers of Tomorrow’. The Keynote speaker, Dr. Praneeth Abhayasundara who graced the research symposium by virtually appearing through the Zoom technology. Vice Chancellor of University of Ruhuna represented at the event as the chief guest. RASAS -2020 created a platform for the young undergraduates from national universities to disseminate their novel research findings and receive constructive feedback from experts.

## **7. International Conference on Management and Economics (ICME) 2020**

The 9th International Conference on Management and Economics (ICME) 2020, organized by the Faculty of Management and Finance under the theme of ‘ The Role of Business Intelligence in Shaping Organizations in Emerging Economics’ was held on 11th September 2020 at the Weligama Bay Marriott Resort & Spa. Professor Ajantha Dharmasiri, Director and the Chairman, Board of Management of Postgraduate Institute of Management, University of Sri Jayawardanapura and Dr. Sugumar Mariappanadar, Senior Lecturer Peter Faber Business School, Australian Catholic University, Australia delivered insightful keynote speeches at the conference.

# **National and International Awards**

## **1. Guangdong Province Science and Technology Cooperation Award**

The Guangdong Province Science and Technology Cooperation award has been initiated on 1st October 2000 by the Government of Guangdong Province, China with the intention of rewarding the citizens and organizations either in China or outside China for their contribution in promoting science and technology in Guangdong Province.

This award was awarded to Professor Tilak P.D. Gamage of the Department of Limnology and Water Technology, Faculty of Fisheries and Marine Sciences & Technology. Professor Tilak Gamage is the Co-ordinator of the China-Sri Lanka Joint Centre for Education and Research (CSL CER). He was able to initiate the relationship with China in 2009, with the support of Prof. Dongxiao Wang of the South China Sea Institute of Oceanology, Chinese Academy of Sciences. This award has been considered his commitment to China-Sri Lanka relationship through numerous academic activities with various organizations.

## **2. Fulbright Fellowships**

Dr. Sudhira De Silva received US-SL Fulbright Advanced Research and Lecturing Award to pursue his post-doctoral fellowship at the Department of Civil and Environmental Engineering, University of Connecticut, Storrs, USA.

Dr. Subashi De Silva received a Visiting Research Fellowship from the Department of Civil and Environmental Engineering, University of Connecticut, Storrs, USA. These research studies initiated the best opportunity for long term collaborative research with Structural Engineering & Applied Mechanics Group of University of Connecticut, USA.

Professor Disna Ratnasekara from Department of Agricultural Biology was awarded the prestigious and highly competitive Fulbright Professional Fellowship from the Government of United States to serve as a visiting professor, attached to Department of Botany and Plant Science, University of California, USA.

## **3. NCAS Scholarship**

Ms. Hemanthi Subhadra Hidellaarachchi of the Department of English Language Teaching, University of Ruhuna was awarded a scholarship by the National Centre for Advanced Studies to follow a PhD programme in September 2020.

#### **4. Online 2020 World Taekwondo Asia Poomsae Open Championship**

Ms. W.H.I.S. Chandrasena of the Faculty of Humanities and Social Sciences won Gold medal in female under 30 colour belt poomsae event and Mr. K.H.K.L. Dilshan of Faculty of Management and Finance won Silver medal in male under 30 colour belt poomsae event representing Sri Lanka national Taekwondo team for online 2020 World Taekwondo Asia Poomsae Open Championship.

#### **5. 1<sup>st</sup> Virtual Taekwondo National Championship**

Several achievements are obtained by participating University of Ruhuna Taekwondo team for the 1<sup>st</sup> virtual Taekwondo National Championship organized by Sri Lanka Taekwondo Federation.

## **International Collaborations**

### **1. Inauguration of the EU Funded Capacity Building Project on “Developing Inclusive Education for students with disabilities in Sri Lankan Universities (IncEdu)”**

The IncEdu project addresses a significant issue in higher education in Sri Lanka that has not received adequate attention. The project partnership consists of four well renowned European Universities: Masaryk University, Czech Republic, Zagreb University of Croatia, Transylvania University of Brasov, Romania and Uppsala University of Sweden and four universities from Sri Lanka. The inaugural meeting was held on 26<sup>th</sup> – 28<sup>th</sup> of February 2020 in Kandy.

### **2. Award from the Indian High Commissioner**

Faculty of Allied Health Sciences received an award from the Indian High Commissioner on 29<sup>th</sup> January 2020 to arrange three gold medals for the best performing Allied Health Science students of the BSc Medical Laboratory Science, BSc. Nursing and B. Pharmacy degree courses annually.

### **3. Establishment of Erasmus Mundas TROPIMUNDO Master Programme**

The Erasmus Mundus joint master degree in tropical biodiversity and ecosystems (TROPIMUNDO) is a highly competitive and rigorous programme carrying the European Commission’s only educational excellence label (Erasmus Mundus) and is run jointly between several universities. Accordingly, students who select University of Ruhuna as their destination in second semester came to the university to complete 30 credits. This included field visits to different ecosystems. The programme was processed through CINTA, University of Ruhuna.

### **4. Establishment of Ruhuna-Duke Centre for Infectious Diseases (RDCID) as an official centre of the Faculty of Medicine, University of Ruhuna**

The Faculty of Medicine, University of Ruhuna and the Duke Global Health Institute created a research and educational collaboration in partnership with the Duke Hubert Yeargan Center for Global Health, in an effort to facilitate bi-directional collaboration on health related research and student/clinician training exchanges.

## **5. Virtual real-time Happiness Index Measurement: Collaboration of BECK Project and Vilnius Gediminas Technical University and University of Ruhuna**

Department of Agricultural Engineering, Faculty of Agriculture has established Mood Measuring Camera systems at the faculty and department premises. The camera systems and neuro-analytical systems developed by the Vilnius Gediminas Technical University (VGTU) has indexed the mood of passers-by based on their facial expressions, body language, temperature, and other factors. The main goal of the study is to establish parameters that make people feel good in public spaces and lead a more effective life.

## **6. Student Exchange Program under the NOPART partnership project NOR-LANKA BLUE**

The student exchange program under the NOPART partnership project NOR-LANKA BLUE with the Arctic University of Norway (UiT), Tromsø was successfully implemented amidst COVID19 pandemic time to send seven students who will register or have registered for MPhil degree programs at University of Ruhuna and University of Jaffna to Tromsø in October 2020.

## Other Events

Workshops and other annual event conducted at Faculty and University level are given below.

### **1. MOU between Faculty of Technology, University of Ruhuna and Dialog Axiata on automated agricultural systems in protected houses**

Faculty of Technology, University of Ruhuna has signed a MOU to conduct research activities on protected agriculture systems in the framework of public-private partnership with Dialog Axiata PLC. The scope of this agreement shall be for the parties to engage in research activities for exploring the possibilities of automating hydroponic agriculture practices and thereafter explore the possibility of carrying out research on aquaponics and aeroponic agriculture, with the participation of the university students and engage in product development, launching and popularizing the products relating to IOT supported protected agriculture.

### **2. Foundation Laying Ceremony for the New Building Complex for FAHS**

Foundation stone laying ceremony of the new building complex of the Faculty of Allied Health Sciences, University was held on 10<sup>th</sup> December 2020 at Walahanduwa Estate, Galle. The occasion was graced by the Chancellor, Vice Chancellor, Deputy Vice Chancellor and Deans of the University of Ruhuna, Hon. Minister Dr. Ramesh Pathirana and the distinguished guests.

### **3. Rohana – Bharati Hindi Prabodhini**

The inaugural Ceremony of the Hindi Language Teaching Programme, “Rohana – Bharati Hindi Prabodhini” was held at the university premises on 17<sup>th</sup> February, 2020. Prem K. Nair, Consulate General of India, graced the event as the chief guest and the guest speech was delivered by Senior Professor Upul Ranjith Hewawitanagamage from the Department of Hindi Studies, University of Kelaniya.

### **4. Construction of the Professorial Ward Complex**

Foundation stone was laid on 21<sup>st</sup> of February 2020 for 10 storied Professorial Ward Complex, a jointly managed facility by Faculty of Medicine, University of Ruhuna and Teaching Hospital, Karapitiya. The complex will contain teaching facilities to accommodate a higher intake of students and also it will improve clinical care provision both qualitatively and quantitatively to patients of Southern Province.

# Part VIII - Library

## Librarian's statement

Been the “heart of a university” an academic library has key role to be played by providing required support to continue teaching and learning in the university. The year 2020 was a challenging year for the library system of the University of Ruhuna, to achieve the objectives of the university despite the pandemic situation prevailed in the country. Where the teaching and learning processes of the university was transformed into online medium. Specially, the library has to provide access to the related textbooks, provide required information, and continue other community-oriented activities that the library usually does.

Withstanding with these challenges of the “new normal”, under a limited financial facility, the Library has been able to carry out several activities and services as follows to achieve the objectives of the University.

Mr. Nimal Hettiarachchi  
Acting Librarian

### ➤ New Services

- Introduce Laptop Lending Service
- Implementation In-Out Management System
- Implementation of University ID Card Printing Unit
- Off-Campus access for E- Journals
- Implementation Digital Document Supply Service
- Implementation of university news archiving service

### ➤ New Collections

- E - Books Collection
- Professor Dr. (Mrs) Kumari Jayawardena Collection

### Colours Awards

- Colours Men & Women (2020) - 06 – Selected (Will be held on 2022)
- Special Awards Men & Women - 06 – Selected (Will be held on 2022)

### Other Events

- Relay Carnival (Men)
  - 1<sup>st</sup> place Faculty of Engineering
  - 2<sup>nd</sup> place Faculty of Fisheries Marine Science & Technology
  - 3<sup>rd</sup> place Faculty of Management & Finance
- Relay Carnival (Women)
  - 1<sup>st</sup> place Faculty of Fisheries Marine Science & Technology
  - 2<sup>nd</sup> place Faculty of Management
  - 3<sup>rd</sup> place Faculty of Engineering and Faculty of Humanities and Social Sciences

# Part X – Reports of Units/ Centers

## 1. Career Guidance Unit

### ➤ Statement of the Director

Year 2020 was a challenging year for every human being due to the widespread COVID-19 pandemic. Despite of lockdowns and off-campus period, CGU Ruhuna has been able to be one of the fully functional units of the university, transforming all its activities into online forms. CGU has been able to conduct 57 programs, covering all faculties and all 10 focal areas of career guidance.

### ➤ Internships/Industrial trainings provided

Under the current circumstances, Career Guidance Unit have been arranged to conduct a Career Fair online for those find a Job, Internship or a part time job.

### ➤ Conducting Career Events/Activities / Workshops

The Career Guidance Unit had been working to deliver quality programmes and activities that will build soft skills and employability skills and personality development in the students.

Career Guidance Activities was done using a variety of human resources and venue. To provide the necessary counseling for the various mental problems faced by the students and to take action to build the healthy mentality required for the educational activities.

Furthermore maintaining coordination with institutions, especially providing the necessary guidance to grasp the opportunities in the private sector.

Also creating platforms to identify and develop students' special talents is also an important service

### ➤ Conducted Events

## 2. Center for International Affairs

### ➤ Student exchange under various projects

#### **NOR-LANKA BLUE Project (Faculties of Science, Agriculture and Fisheries and Marine Sciences & Technology)**

- NOR-LANKA Blue Project is continued collaborating with Faculties of Science, and Agriculture, University of Ruhuna, University of Jaffna, National Aquatic Research Agency (NARA), and the Arctic University of Norway-UiT, Tromso (Coordinated by Faculty of Science, University of Ruhuna)
- Three Masters students from UiT stayed at Faculty of Science/ Fisheries and Marine Science & Technology for about 2 months (January-Feb 2020), to complete 8 ECTS course module and a residential workshop under NOR-Lanka Blue project. Ms Anna Karia Lerøy Rippe, Ms. Rikke Stabell, Ms. Signy Antonette Linge Killingmo
- Seven Masters students from Sri Lanka (4 from University of Ruhuna -BOS/Science, BOS/Agri and BOS/FMST, and 03 from University of Jaffna) went to University of Tromso (UiT, the Arctic Univ of Norway), funded by NORPART/ NOR-LANKA BLUE as exchange students for one semester abroad, and one NARA scientist started a fulltime MSc program in October, 2020

#### **Faculty of Agriculture**

- Erasmus+ Global Mobility Programme was signed between University of Ruhuna, University of Tromso, Norway
- One PhD student is currently undertaking her postgraduate research at the Institute of Plant and Environment Protection, Beijing Academy of Agriculture and Forestry Sciences, China
- R.J. Rebecca Joysika (PG/AG/01/2019/169), Supervisors - Prof. Shouxian Wang, Institute of Plant and Environment Protection, Beijing Academy of Agriculture and Forestry Sciences, China. Local supervisor– K L Wasantha Kumara, Dept of Agric Biology
- Agreement between Southwest Minzu University (SWMU) of China and University of Ruhuna of Sri Lanka

2019/2020 – Four students completed their final year research projects in March 2020 at the SWMU, China

- W.M.N.K.K. Kulasinghe - AG/AT/2015/4029, Prof. Wang Changting, Southwest Minzu University, Chengdu wangct@swun.edu.cn, [wangct6@163.com](mailto:wangct6@163.com).
- P D B Wijekoon - AG/AT/2015/4030, Prof. Yang, Sheng-Tao, College of Chemistry and Environment Protection [yangst@pku.edu.cn](mailto:yangst@pku.edu.cn).
- RMDNK Rathnayake – AG/AT/2015/4089, Prof. Yang, Sheng-Tao, College of Chemistry and Environment Protection [yangst@pku.edu.cn](mailto:yangst@pku.edu.cn)
- I H Jayalath - AG/AT/2015/4054, Prof. Wang Changting, Southwest Minzu University, Chengdu wangct@swun.edu.cn, [wangct6@163.com](mailto:wangct6@163.com)

- Agreement between National Sun Yat-sen university, Taiwan and University of Ruhuna of Sri Lanka

2019/2020 – Two students completed their final year research projects at NSYSU, Taiwan in March, 2020

- AARP Lakshani - AG/AT/2015/4027, Prof Yu-chungChing, Professor& Chair, Department of Biological Sciences, National Sun Yat-sen university, Taiwan, yuchung@mail.nsysu.edu.w
- MGWK Weerasinghe - AG/AT/2015/4063, Prof Yu-chungChing, Professor& Chair, Department of Biological Sciences, National Sun Yat-sen university, Taiwan, [yuchung@mail.nsysu.edu.tw](mailto:yuchung@mail.nsysu.edu.tw), Ibaraki University Student Exchange-Japan, Sakura Science Student Exchange (Okyama University-Japan)

Two students completed their final year research projects in March, 2020 at the Okayama University, Japan

### **Faculty of Engineering**

- Mr Nischal Bhattarai completed Bachelor of the Science of Engineering honours degree in Civil and Environmental Engineering under the Government of Sri Lanka Presidential Scholarships Program for foreign students

### **Faculty of Science**

- TROPIMUNDO Masters degree program – Coordinator - Dr Sunanda Kodikara, Department of Botany - Following students enrolled for a practical component of Tropical Biodiversity course and completed
  - Grace Irene Ridder
  - Danyan Chen
  - Victor Manuel Souza De Aevedo
  - Samuel Appiah Ofori
  - Kristine Camille V. Buenafe
  - Ngendahimana Ephrem
  - Frederick Asante
  - Anne Marieke De Geest
  - Karen Melissa Serna Rodriguez
  - Gersey Vargas Rivera
  - Carlos Victor Dourado Batista
  - Sacha Philippe Lewandowski

### **Faculty of Humanities and Social Sciences**

- Dr. B M Sumanaratne – Coordinator for MA Degree programme on “Global Development and Planning” between Agder University, Norway and University of Ruhuna, Sri Lanka. Following students visited University of Ruhuna
  - Ms. Hanne Kristensen
  - Ms. Helene O. Drevland Kiyve
  - Mr. Oscar D Myrmell
  - Ms. Birgitte As
  - Ms. Susann Wilson
  - Ms. Ester Miriam T Sivertsen
  - Mr. Thomas Severeide Aase
  - Ms. Ida Johansen Kjolso
  - Ms. Idunn. B. Nonstad
  - Ms. Katarina Melland – Grovlen

- Chinese language Instructor – Mr. Bai Fan from China has been serving as the Volunteer Chinese Language Teacher for the certificate course of Chinese Language conducted by the Centre for Modern Languages and Civilization of the University of Ruhuna Since October 2018

### ➤ **Foreign Delegates visited University of Ruhuna**

#### **Faculty of Agriculture**

- Dr. Katharine Tveiteras, Prof. Jorge Santos, Prof. Sveine Ottar, from Norwegian College of Fisheries and Biosciences, University of Tromso Norway, visited University of Ruhuna on 13<sup>th</sup> January, 2020
- Prof. Hiroaki Fanahashi, Dean/ Graduate School of Environmental and Life Sciences, Okayama University, Japan visited University of Ruhuna on 13<sup>th</sup> February, 2020

#### **Faculty of Humanities and Social Sciences**

- Hanne Haaland- Head of Department, Prof. Arne Olav Øyhas, Per. Sigurd Sørensen – Faculty Director, Anne Halvorsen – Dean, Cecilie Mawdsley – PhD/Research Adviser, Jann ik Timenes visited the University
- International Coordinator, University of Agder, Norway visited University of Ruhuna on 29<sup>th</sup> January 2020
- Dominique de Priest, Full Bright Teaching Assistant started working in the Intensive Course in English conducted by the Department of English Language Teaching from January to March and was compelled to leave Sri Lanka due to Covid-19

#### **Faculty of Science**

- Prof. Ragupathy Kannan – Fulbright fellow 2020 from University of Arkansas Fort-Smith, USA arrived on Feb 5, 2020 and served at the Department of Zoology as an Honorary Visiting Professor. The Fulbright program was suspended in March, 2020 due to Covid19 pandemic, yet he continued his stay at the Department of Zoology engaging in educational, extension and outreach activities. He carried out daily bird census in Matara over the year and immensely contributed to the Sri Lankan ornithological information. He mentored University of Ruhuna staff and students to secure PhD opportunities at University of Arkansas.

#### **University Level**

- HE the Ambassador of Canada visited the University of Ruhuna on 11<sup>th</sup> February, 2020 and had a meeting with the ALUMNI of Canadian Universities
- HE Ambassador of France, E. LAVERTU, attended ISAE - 2020 at the Faculty of Agriculture on 14.02.2020
- A Seminar on ‘Choose France for Your Studies was conducted by the France Embassy in Sri Lanka on 14<sup>th</sup> February, 2020 at the Faculty of Humanities and Social Sciences

- Farewell Dinner to Mr. Shri Prem Nair, Consulate General of India was held on 09<sup>th</sup> July, 2020
- His Excellency the Ambassador/Head of Delegation, Mr Denis Chaibi, Delegation of the European Union to Sri Lanka and the Maldives had a courtesy call with the Vice Chancellor of the University of Ruhuna and discuss bilateral collaborations on 29<sup>th</sup> September 2020
- H.E. the German Ambassador to Sri Lanka and the Maldives, Mr Holger Seubert visited the University of Ruhuna on 07<sup>th</sup> of October 2020 with his delegates comprising Ms. Christiane Einfeldt, the Country Director of GIZ in Sri Lanka and the Maldives, Mr. Christoph Feyen, the Director of Strengthening Reconciliation Process in Sri Lanka (SRP) Project of GIZ, Ms. Dharini Daluwatte, Advisor to the German Embassy, and Ms. Marsha Daniel, the Advisor on Technical Lead, Institution Development & Learning, SRP and discuss future collaborations
- Online meetings with foreign counterparts
  - A Sinhala language course to Russian Students was inaugurated on 17<sup>th</sup> October 2020 online with the participation of Professor M. D. Lamawansa, H.E. the Ambassador of Sri Lanka to the Russian Federation, Admiral Prof. Jayanath Colombage the Secretary of the Foreign Ministry, Prof Sujeewa Amarasena, Vice Chancellor, University of Ruhuna and delegation from South Ural State University of Russia (SUSU) and University of Ruhuna, and Russian students.
  - Online meeting with the Professor M. D. Lamawansa , H.E. the Ambassador of Sri Lanka to the Russian Federation, delegation from Russian University of Transport (MIIT) and Universities of Ruhuna, Peradeniya and Moratuwa was held on 29.02.2020 to explore possible collaborations between Russian University of Transport (MIIT) and Universities of Sri Lanka on education and research.
  - An online meeting was organized between the delegation from National Cheng Kung University, Taiwan and University of Ruhuna on **12.11.2020** to explore bilateral corporation in education and research between two Universities.

## ➤ Projects

### **Faculty of Medicine**

- Research Grant received by Dr. M. T. Napagoda, Faculty of Medicine from International Foundation for Science

### **Faculty of Humanities and Social Sciences**

- Became a partner university in Erasmus + KA2 CBHE Project “Enhancing Governance, Management and Reform in Sri Lankan Universities through Non-Academic Staff Training” (ENACT)
- IncEdu Erasmus + project on Developing Inclusive Education for Students with Disabilities in Sri Lankan Universities was inaugurated and the kick-off meeting was held in February 2020. The website of the project was launched under the Faculty of Humanities and Social Sciences web site and a e-brochure was designed. Work was initiated to establish a special needs unit at the Faculty of Humanities and Social Sciences

- The 7-year (2014 -2020) NORHED - CPDS project was concluded on the 31<sup>st</sup> December, 2020

Following benefits were obtained through the project,

- The 06<sup>th</sup> Ruhuna University International Conference on Humanities and Social Sciences was organized with the support of NORHED - CPDS project
- The Computer Lab of the Department of Sociology was equipped with 20 new computers and the department Library was renovated
- Two publications were completed based on the project outcomes
- Twenty students who were enrolled in the MA in Peace and Development Studies programme were provided scholarships to cover 50% of their course fee
- Few guest lectures were facilitated by two Norwegian Professors for Bachelors and Postgraduate students of the University of Ruhuna

### **Faculty of Management**

- TESS Project
  - University of Ruhuna (UoR) has become a partner University in the Techno-Economic-Societal Sustainable Development Training in Sri Lanka (TESS), Capacity Building in the field of Higher Education – Joint Project through the main coordination of University of South Eastern in Norway with partner Universities in Europe and Sri Lanka namely University of South Eastern in Norway, University of Essex in UK, University of NOVA in Portugal, Technical University of Denmark, University of Moratuwa, University of Sri Jayawardanapura, University of Jaffna, and University of Vocational Technology
- Requesting permission to accept funds to conduct a Technical Corporation Project

### **Faculty of Engineering**

- EUSL-Energy Project
  - The EUSL-ENERGY project is a unique project that addresses the challenge, and turn into an opportunity, of creating an excellent educational program within the energy transition sector
  - The Faculty of Engineering in collaborating with Open University of Sri Lanka has been awarded above project funds under the Grant Agreement Number: EUSL-Energy - 610173-EPP-1-2019-1-LK-EPPKA2-CBHE-JP; Title: Europe Sri Lanka Capacity Building in Energy Circular Economy “EUSL-Energy”
- THREE Lanka Project
  - An educational project proposal developed by the Faculty of Engineering, for the development of “Training Hub for Renewable Energy Technologies in Sri Lanka (THREE-Lanka)” has been selected for EU funding under the competitive grant scheme “Erasmus+ Capacity Building in Higher Education” action (Call for

proposals EAC/A02/2019/CBHE). This grant application is a global competitive programme, where, out of the 1005 applications submitted, 164 have been selected for funding and 20 have been placed on a reserve list

### **Faculty of Allied Health Science**

- Memorandum of Understanding (MoU) between Mahidol University, Thailand and University of Ruhuna is recommended for signing between two Universities by the council of University of Ruhuna and submitted to the UGC for the government approval. This MoU will provide financial assistance to investigate understanding the growth and body composition in infants and young children aged 6-24 months in the Asia and Pacific Island Region. The project is aiming to provide valuable information on the relationship between complementary feeding practices, growth and body composition of children of this age specific to this region.

### **Faculty of Science**

- SEDRIC @ SRILANKA Project
  - “Benefit Agreement” to be signed between the Embassy of France in Sri Lanka and University of Ruhuna to implement activities of the SEDRIC @ SRILANKA with the objective of strengthening the capacity for interdisciplinary analysis and monitoring of socio-ecological coastal changes to promote the implementation of integrated management of the coastal area in Sri Lanka was forwarded to the UGC for obtaining government approval
- TROPIMUNDO Project
  - ERASMUS MUNDAS Master’s degree in Tropical Biodiversity and Ecosystems (TROPIMUNDO) is conducted and jointly offered by six European Universities while few tropical countries are also involved in this program to offer 21 credits concentrated on practical aspects (*i.e.* Field classes) of the degree program
  - The Department of Botany, Faculty of Science, was invited to join the above Master’s degree program as one of the Tier II partners. In joining the programme, the Department of Botany has to cover 21 ECTS credits (Equivalent to 11.5 SLQF credits) mainly on practical aspects of “Tropical Biodiversity”, during the 2<sup>nd</sup> semester of the degree program

### **Faculty of Fisheries and Marine Sciences & Technology**

- ACIAR Project
  - A Memorandum of Agreement between the Government of Sri Lanka and Government of Australia was to be signed where University of Ruhuna has become one of the project implementing agencies of this project. The aim of the proposed project is to introduce robust, science-based management regime for the culture-based fishery of *Giant freshwater prawn* and fish species in Sri Lanka reservoirs and improve facets of the supply chain ensuring productivity, profitability, livelihood and

income of local men and women. The designated corporation agencies of the project are Ministry of Education, Sri Lanka and ACIAR, Australia. University of Ruhuna is one of the implementing agency along with two other local Institutions.

## ➤ Existing MOU's

### **Faculty of Agriculture**

- With Northwest A&F University for research collaborations
- Life Long Learning for Farmers (L<sub>3</sub>F) Project. MOU was signed between University of Ruhuna and Commonwealth of Learning (COL), Vancouver, Canada
- NORHED Project of Incorporating Climate Change into Fisheries and Agriculture Ecosystems in Vietnam and Sri Lanka- MOU signed between NhaTrang University, Vietnam, University of Ruhuna, and University of Tromso. The Project is funded by the Norwegian government
- MOU with HARTI for postgraduate course MAED
- A grant agreement between Manitoba University, Canada, and University of Ruhuna on “Dried fish Matters” was signed by the Vice Chancellor
- Memorandum of Understanding between Faculty of Agriculture, University of Ruhuna and National Cheng Kung University, Taiwan, Ibaraki University

### **Faculty of Fisheries and Marine Sciences & Technology**

- 2009 - Practical Action South Asia & FMST, about Small scale fisheries research project
- 2011 - MEPA & UOR-FMST, about Establishment of an aquatic coastal ecological baseline database for southern coast of Sri Lanka
- 2011 - SL Navy, about Collaboration and cooperation on higher education
- 2012 - South China Sea Institute of Oceanology, CAS, China, about Student staff exchange, joint master's degree program
- 2013 - Hantec Co Ltd & UOR, about Research cooperation
- 2013 - Biosphere Foundation- USA and UOR, about On boat data collection for whales, marine mammals
- 2014 - South China Sea Institute of Oceanology, CAS, China for the establishment of China-Sri Lanka joint center for Education and Research

### **Faculty of Humanities and Social Sciences**

- MoU between Indira Kala Sangeeth Vishwa Vidyala, Khairagarh, India and University of Ruhuna
- MoU between University of Ruhuna and Kolkata University

## **Faculty of Science**

- Expression of Interest in the participation of physicists from the University of Ruhuna, Sri Lanka, in the CMS experiment at CERN LHC Acceleration has been signed in 2006

### **➤ New MOU's signed**

## **Faculty of Agriculture**

- With Guizhou Academy of Sciences – Pending approval of the government of Sri Lanka
- Memorandum of Understanding between University of Ruhuna and Beijing Forestry University, China
- Memorandum of Understanding to be signed between Faculty of Agriculture, University of Ruhuna, and College of Plant Protection, China Agriculture University, China
- Tokyo University of Agriculture and Technology (TUAT)-Japan

## **Faculty of Allied Health Sciences**

- MOU between University of Ruhuna and Chulabhorn Graduate Institute, Thailand on post graduate studies in the fields of Chemical Biology, Applied Biological Sciences, and Environmental Toxicology (Pending approval)
- Capacity Building Higher Education project on Neurodegenerative diseases care, Kristiansted University, Sweden – Pending Approval
- EoI to be partnered with “Meththa Foundation” UK and University of Salford, UK for the Bachelor’s Honours degree in Prosthetics and Orthotics – Pending Approval

## **Faculty of Engineering**

- MoU to be signed between Sirindhorn International Institute of Technology, Thammasat University, Thailand and Faculty of Engineering for the Exchange of Faculty /Staff members, Exchange of students, Exchange of information, documentation and materials and Coordination in joint projects, seminars, conferences
- Faculty of Life and Environmental Sciences, University of Yamanashi, Japan, - exchange Students on a reciprocal basis with tuition waiver, exchange faculty and staff members from both institutions, exchange academic information and develop joint research and educational program
- Japan Intergovernmental-Adjustment Management Agency (JIMA), MME, Both parties jointly to conduct on electric and electronic appliances related product design and developments, and improve existing technology appropriate to Sri Lankan context Collaborative research and possible exchange of related technologies Mutual assistance in the arranging related programmes and co-operation in training projects for specified areas of development. Opportunities for other forms of cooperation, such as directing specific research

### **Faculty of Humanities and Social Sciences**

- Under Erasmus+ programme, MoU signed between Agder University, Norway as the programme University and the UoRL as the partner university
- Renewal of the MoU that the Department of Geography has signed with University Sains, Malaysia

### **Faculty of Fisheries and Marine Sciences & Technology**

- 2019 - National Sun Yat-sen University, Taiwan & UOR
  - Establishment of Taiwan and Sri Lanka Marine Research Station (TSMRS) was done
- 2019 - The Arctic University of Norway
  - Student, staff and administrative mobility under NOR-LANK BLUE project

### **Faculty of Science**

- NOR-LANKA BLUE Consortium agreement signed with The Arctic University of Norway, Tromso (grantee) by University of Ruhuna, University of Jaffna, and NARA 2019-2023

### 3. Distance and Continuing Education Unit

#### ➤ Student Registration

- DCEU website for application forms, past papers, results and other relevant documents.

## 4. Centre for Quality Assurance

In 2020, University of Ruhuna made two major administrative changes with the aim of further strengthening its quality assurance component. In line with UGC Directives, University established Centre for Quality Assurance (CQA), replacing the hitherto functioning Internal Quality Assurance Unit. Furthermore, Senate Standing Committee on Quality Assurance was also established, replacing Management Committee of the Internal Quality Assurance Unit. The Senate Standing Committee on Quality Assurance (SCQA) is chaired by the Vice Chancellor and is vested with more responsibilities.

Despite the difficulties arose due to Covid 19 pandemic situation, nine meetings were conducted. During 2020, two new Internal Quality Assurance Cells (IQAC) were established for library services and for the Distance and Continuing education Programmes, in addition to the IQACs functioning in ten faculties.

Major activities undertaken by the Center for Quality Assurance, during 2020 are summarized below under six areas.

### ➤ Policies

CQA introduced a number of new Quality Assurance related policies and published a number of important documents.

- The Internal Quality Assurance By-Laws of the University was amended, taking the new UGC circular 09/2019 into account. Having approved at the Senate and the Council, the amended by-law became effective from 01.01.2021.
- In consultation with IQACs and members of the SCQA, Quality Assurance Strategic Plan of the University of Ruhuna 2020-2023 was prepared. The strategic plan was approved by the Council of the University and is being implemented from 01.01.2021.
- Ruhuna University Policy “Student Feedback and Peer Evaluation on Teaching and Learning Activities” was formulated. Having approved at the Council, the policy is effective from 01.01.2021.
- University Policy on Using the term Course/Course Module/Course Units was formulated.
- Having considered the observations after a year of implementation, the Manual of the Procedures for the Conduct of Examination, University of Ruhuna was subjected to a revision process.
- The process of preparing Manual for the Postgraduate Examinations was initiated.
- Faculty of Allied health Sciences formulated its policy “student absenteeism, unsatisfactory performance and unbecoming conduct during the clinical appointments of Department of Nursing, Faculty of Allied Health Sciences, University of Ruhuna.
- Taking the comments from stake holders Academic Accountability Model was improved.
- Expansion of the academic accountability model into a workload model was initiated.
- Establishment of students’ grievance Committees was proposed to the Senate. Based on the initial concept originated at the SCQA, all Faculties have established Students’ Grievance Committees.

## ➤ **New programmes, Courses, Curriculum revisions**

CQA facilitated the introduction and/or revision of following new programme/courses

- Facilitated the conversion of Medical Laboratory Science programme of the Allied health Science Faculty, into module system.
- Completed the introduction process of following undergraduate programmes
  - BBA (Business Law); received the UGC approval

# Part XIII – Auditor General’s Report and Reply

## 1. Auditor General’s Report

My No: SNP/MR/C/UOR/20/03

Date: 31<sup>st</sup> May 2021

Vice Chancellor,  
University of Ruhuna

**The report of the Auditor General in terms of section 12 of the National Audit Act No. 19 of 2018 on the financial statements of the University of Ruhuna for the year ended 31 December 2020 and for other legal and regulatory requirements.**

### 1. Financial Statements

#### 1.1 Opinion

The audit of financial statements of the University of Ruhuna for the year ended 31 December 2020 comprising the statement of Financial Position as at 31 December 2020 and the statement of financial performance, statement of changes in equity and statement of cash flows for the year then ended and the summary of significant accounting policies and other explanatory information was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with the provisions of the National Audit Act No. 19 of 2018. My report will be tabled in the Parliament in due course, in terms of sub section 154 (6) of the Constitution.

In my opinion, the financial statements give a true and fair view of the financial position of the University of Ruhuna as at 31 December 2020 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

#### 1.2 Basis for the Opinion

I carried out the audit in compliance with the Sri Lanka Auditing Standards (SLAS). My responsibility under these standards has been further described in the section entitled ‘Auditor’s responsibility in auditing the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### 1.3 Other information contained in the Annual Report 2020 of the University

Other information means information, though included in the Annual Report 2020 of the University which is expected to be handed over to me after the date of this audit but not included in the financial statements and in my audit report thereon. Those charged with management shall be responsible for other information.

My opinion on the financial statements does not cover other information and I do not provide an assurance of any manner or express an opinion on it.

My responsibility in relation to my audit regarding financial statements is to read other information whenever available and consider where there are material inconsistencies between the financial statements or my knowledge gained otherwise and other information.

In reading the annual report 2020, if I concluded that there are material misstatements, such matters shall be communicated to those charged with management. If there still are misstatements which have not been corrected, they will be included in the report to be tabled in Parliament by me in due course in terms of Article 154(6) of the Constitution

#### **1.4 Responsibility of the Management and governing partners for Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing financial statements, it is the responsibility of the management to decide the sustainability of the University as a going concern and it is also the responsibility of the management to keep accounts on the basis of going concern and disclose matters relevant to the University as a going concern unless the management intends to liquidate the university or takes action to suspend its operations in the absence of any other alternative.

The responsibility concerning the financial reporting process of the University is borne by the governing parties.

In terms of Sub Section 16(1) of the National Audit Act No. 19 of 2018, the University shall maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared in respect of the University.

#### **1.5 Auditor's responsibility regarding financial statements**

My objective is to give reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error and to issue auditor's report that includes my opinion. The reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted with in accordance with the Sri Lanka Accounting Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

I have conducted the audit in accordance with the Sri Lanka Accounting Standards maintaining professional judgment and professional scepticism. The auditor also,

- Identifies and assesses risks of material misstatements of the financial statements, whether due to fraud or error, designs and performs audit procedures responsive to those risks, and obtains audit evidence that is sufficient and appropriate to provide a basis for the auditor's opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtains an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control.

- Evaluates the appropriateness of the accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Concludes on the appropriateness of the use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the University's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluates the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I have communicated with those charged with governance regarding, the significant audit findings, including any significant deficiencies in internal control that I have identified during the audit.

## **2. Report on other legal and regulatory requirements**

- 2.1 Special provisions are included in respect of the following requirements in the National Audit Act No. 19 of 2018.
- 2.1.1 In terms of the requirements of section 12 (a) of the National Audit Act No. 19 of 2018, I obtained all information and explanations required for the audit and as far as it appears from my inspection, the University had maintained proper financial reports.
- 2.1.2 In terms of the requirement indicated in Section 6(1)(d) (iii) of the National Audit Act No. 19 of 2008, the financial statements presented by the university are consistent with the preceding year.
- 2.1.3 In terms of the requirement of Section 6(1)(d) (iv) of the National Audit Act No. 19 of 2008, the recommendations made by me in the previous year have been included in the financial statements.
- 2.2 On the basis of the procedures followed and evidence obtained and being restricted within the material matters, nothing that warrants the making of the following statements did not come to my attention.
- 2.2.1 In terms of the requirement of section 12 (d) of the National Audit Act No. 19 of 2018, whether any member of the governing body of the Ruhuna University has any interest, direct or otherwise, outside normal business status in any contract entered into by the University.
- 2.2.2 In terms of the requirement of Section 12(f) of the National Audit Act No. 19 of 2018, whether the Ruhuna University has or has not complied with any applicable written law or other general or special directions issued by the governing council of the University, except for the following observations.

**Reference to laws, rules and regulations**

**Observation**

Subsection (xv) of Section 45(2) of the Universities Act No.16 of 1978

Without obtaining the approval of the UGC as required by the provisions of the Act, an excess sum of Rs. 79,755,690 of the Faculty of Post Graduates had been invested in 03 fixed deposits.

2.2.3 In terms of the requirement indicated in Section 12(g) of the National Audit Act No. 19 of 2018, that the University had not performed according to its powers, functions and duties;

2.2.4 In terms of the requirement indicated in Section 12(g) of the National Audit Act No. 19 of 2018, that the resources of the University had not been procured and utilized economically, efficiently and effectively within the time frames and in compliance with the applicable laws;

**2.3 Other matters**

- (a) In making payments for the posts of Field Assistant and Laboratory attendant (Part time) for the Asia Pacific Network (APN) Project after recruiting an employee, as a result of paying 2 allowances considering the two posts separately, Rs. 389,349 had been overpaid for the year under review. Though the validity period of the appointment had lapsed on 30<sup>th</sup> May 2018, without extending the period, the services had been obtained and the allowance had been paid.
- (b) According to the Corporate Plan relevant to the period from 2014-2018, even though it had been planned to commence 22 new distance courses and 01 online course by the year 2018 and to develop curricula to conduct 60% of distant and continuous degree course as job-oriented courses, nothing had been in that regard.
- (c) Out of 26 students registered for the first batch of students for the postgraduate course on Peace and Development, only 05 and 07 had respectively completed second year and first year levels. Accordingly, even though 05 years had lapsed since the commencement of this degree course, 12 students or 46% had not completed the course.
- (d) Action had not been taken to settle research grants totaling Rs. 3,149,340 provided to 26 lecturers during the years 2018 and 2019 even by October of the year under review.
- (e) A sum of Rs. 236,920,753 is spent annually as research grant for the academic staff of the university and the research conducted and outcomes thereof have not been communicated to the people.
- (f) Research reports as relates to research grants amounting to Rs. 858,745 paid to 04 officers of the non-academic staff who do not currently serve in the university had not been submitted.

W.P.C. Wickremaratne  
Auditor General

| 2.3  | <p><b>Other matters</b></p> <p>(a) In making payments for the posts of Field Assistant and Laboratory attendant (Part time) for the Asia Pacific Network Project after recruiting an employee, as a result of paying 2 allowances considering the two posts separately, Rs. 389,349 had</p>  | The objective of this project was to study the greenhouse gases emitted from soil in cultivating diverse crops after the application of different types of fertilizers and the status of the soil. Soil samples had to be collected for a period of 02 years continually with samples being collected 03 times a day during the periods of cultivation as well as non-cultivation. Thus, during this two-year period 1500-2000 soil samples were collected. |             |  |  |  |  |             |  |  |

| Paragraph No        | Matter raised by the Auditor General  | Reply given by the University  |                     |  |                     |  |         |         |         |         |    |    |    |    |
|---------------------|---|--|---------------------|--|---------------------|--|---------|---------|---------|---------|----|----|----|----|
|                     | <p>been overpaid for the year under review. Though the validity period of the appointment had lapsed on 30<sup>th</sup> May 2018, without extending the period, the services had been obtained and the allowance had been paid.</p>   | <p>The collected samples then had to be stored in a freezer in order to keep their composition unchanged and the ground and powdered soil samples had to be dispatched to the laboratory of QUT University Australia for further analysis. Similarly 6000-7000 samples of greenhouse gases had to be collected during the 2-year period. For this purpose, chambers were placed over the soil and the gas had to be inserted delicately into a vial using a syringe with needles. This was a task which required meticulous training. The Project Assistant appointed to the project was well-trained in this process. The service of the Project Assistant was extremely important for maintaining the accuracy of the collection of data and ensuring uninterrupted supply of samples to the laboratory of QUT University. On days samples were not collected, his services were obtained for laboratory activities as he was well trained in such activities. Accordingly, you are informed that payments were made to him without exceeding the approved amount as per the sum pre-approved for him (according to the time he worked in the laboratory).</p> |                     |  |                     |  |         |         |         |         |    |    |    |    |
|                     | <p>(b) According to the Corporate Plan relevant to the period from 2014-2018, even though it had been planned to commence 22 new distance courses and 01 online course by the year 2018 and to develop curricula to conduct 60% of distant and continuous degree course as job-oriented courses, nothing had been in that regard.</p>                   | <p>For the commencement of courses from 2015 as set forth in the Corporate Plan, regional centres were established in Galle and Hambantota by Distant and Continuing Education Unit and applications were called for various job oriented courses. But, except for English and Tamil language courses, sufficient applications were not received for other courses. Though arrangements necessary had been made for conducting the B.A. General (External) Degree as an online course, it could not be conducted as planned since the Unit did not receive the relevant software.</p>  |                     |  |                     |  |         |         |         |         |    |    |    |    |
|                     | <p>(c) Out of 26 students registered for the first batch of students for the postgraduate course on Peace and Development, only 05 and 07 had respectively completed second year and first year levels. Accordingly, even though 05 years had lapsed since the commencement of this degree course, 12 students or 46% had not completed the course.</p> | <p>Agree with the audit observation. According to the current status of the course, 26 students had registered for the first batch and 14 of them had not completed the course. Though reminders were sent from time to time to by letters and emails, only a few students had applied for the completion of SLQF 09.</p> <table border="1" data-bbox="826 1615 1401 1720"> <thead> <tr> <th colspan="2">By the audited date</th> <th colspan="2">By the audited date</th> </tr> <tr> <th>SLQF 09</th> <th>SLQF 10</th> <th>SLQF 09</th> <th>SLQF 10</th> </tr> </thead> <tbody> <tr> <td>07</td> <td>05</td> <td>06</td> <td>06</td> </tr> </tbody> </table>  | By the audited date |  | By the audited date |  | SLQF 09 | SLQF 10 | SLQF 09 | SLQF 10 | 07 | 05 | 06 | 06 |

|              | (e) A sum of Rs. 236,920,753 is spent annually as research grant for the academic staff of the university and the researches conducted and outcomes thereof have not been communicated to the people. | Conference papers and/or journal papers are published regularly. On the outcome of such researches the relevant students or teachers continue research activities and they continue their postgraduate courses on the basis of outcomes or conclusions of such researches. Therefore, it is wished to be stated that all researches conducted improve the scientific path of researchers, help in creating new researchers, provide sources to researchers and contribute for the socioeconomic and attitudinal advancement of people locally as well as internationally. |                        |             |             |
|              | (f) Research reports as relates to research grants amounting to Rs. 858,745 paid to 04 officers of the non-academic staff who do not currently serve in the university had not been submitted.        | The officers referred to had obtained research grant having submitted the research proposal and from the time they are transferred to another university, the payment of research grant by this university is terminated. Therefore this university does not intend to present their final reports.   |                        |             |             |
